NOMINEES ANNOUNCED FOR THE 42ND ANNUAL NEWS & DOCUMENTARY EMMY® AWARDS

*Honorees in More Than 60 Categories to be Live-Streamed
In Two Ceremonies on September 28th & 29th*

NEW YORK (July 27, 2021; Revised 9.21.21) – Nominations for the 42nd Annual News and Documentary Emmy® Awards were announced today by The National Academy of Television Arts & Sciences (NATAS).

The awards will be presented in two individual ceremonies:

News Categories – Tuesday, September 28th, 2021 at 8 p.m. EDT
Documentary Categories – Wednesday, September 29th, 2021 at 8 p.m. EDT

Each ceremony will be streamed live on NATAS' dedicated viewing platform powered by Vimeo, available on the web at [Watch.TheEmmys.TV](https://www.theemmys.tv) and via The Emmys® apps for iOS, tvOS, Android, FireTV, and Roku (full list at [apps.theemmys.tv](https://www.theemmys.tv)).

"In the unprecedented year of 2020, where a global health crisis had challenged our safety and survival and a presidential election shook the very bedrock of our democracy, these news and documentary professionals delivered the crucial, clear and factual reporting that gave us the tools and knowledge necessary to make the informed decisions that affected our everyday lives and indeed, our futures," said Adam Sharp, President & CEO, NATAS.

The 42nd Annual News & Documentary Emmy® Awards honor programming content from more than 2200 submissions that originally premiered in calendar-year 2020, judged by a pool of over 800 peer professionals from across the television and streaming/digital media News & Documentary industry.

The complete list of nominees is also available on the National Television Academy's website: [theemmys.tv](https://www.theemmys.tv)

All voting was tabulated by the accounting firm of Lutz & Carr, LLP.

ABOUT NATAS

The National Academy of Television Arts & Sciences (NATAS) is a service organization dedicated to the advancement of the arts and sciences of television and the promotion of creative leadership for artistic, educational, and technical achievements within the television industry. It recognizes excellence in television with the coveted Emmy® Awards for News & Documentary, Sports, and Daytime television programming, as well as achievements in television Technology & Engineering. NATAS membership consists of more than 18,000 broadcast and media professionals represented in 19 regional chapters across the United States. Beyond awards, NATAS provides extensive educational programs through its foundation, including regional and national scholarships and Student Production Awards.

The numerical breakdown, by media entities, as compiled by the independent accountancy firm of Lutz and Carr, LLP, follows:

REGIONAL NOMINEES

Awards presented in these categories are not Emmy Awards, but rather a form of special national recognition given to outstanding regional news reports. Award recipients in the regional reporting categories receive crystal pillars rather than Emmy statues.
