NATAS COVID-19 Policy for ALL ATTENDEES

****policy subject to change****

For the most up-to-date policy information, please visit: TheEmmys.TV/COVID-19

NATAS will refuse entry to any attendee who is unable to meet the requirements of this policy and no refunds will be granted.

Each attendee must provide proof of either:

- Full vaccination against the SARS-CoV-2 virus, including a single booster (if eligible);

OR

- A negative result on a PCR-based molecular test that was administered no earlier than:
 - 3:00pm PDT on Wednesday, June 15, 2022 for attendees of the June 18th Creative Arts / Lifestyle Emmy® Awards ceremony
 - 3:00pm PDT on Tuesday, June 21, 2022 for attendees of the June 24th Daytime Emmy® Awards ceremony

NATAS will be using **CLEAR**® to provide easy proof of required COVID-related health certification for faster entry to the event. CLEAR® is widely used in the sports and entertainment world for this process.

Attendees who do not use CLEAR, or are unable to provide proof of full vaccination including a single booster, must submit to an on-site test at the attendee's expense (\$100-200, payment will be required before test is administered).

Please note, tests will be administered on a first come, first served basis. Those requiring an on-site test will be required to wait in the COVID testing area until the results are given. This will delay entrance to the red carpet and/or ceremony, so it is highly recommended to use the CLEAR app and address verification in advance of arrival.

To avoid delays, please do not wait to start the process. All attendees should be encouraged to download the **CLEAR® app** ([Android](#) or [Apple](#) devices) on their phones as soon as possible, if they don't already have it.

- After opening the CLEAR app, click on Health Pass.
- In the field “Have a code?” enter **NATAS** and then follow the instructions from that point on. It will ask you to pick an event and you should pick either “Creative Arts / Lifestyle Emmy® Awards” or “Daytime Emmy® Awards.”
- If attendee is vaccinated, they should upload their vaccination information at that time. Avoid any technical problems by not waiting till the day before or day of event to do this step.
- In order to activate your pass on the day of the event, attendees will be required to complete a short health survey via the CLEAR app within 24 hours of the ceremony. This will trigger a green Health Pass which allows entry.

NATAS will refuse entry to any attendee who is unable to meet the requirements of this policy and no refunds will be granted.
