CLEAR HEALTH PASS.

MINOR FLOW- VACCINE VERIFICATION

A parent or guardian (over the age of 26) can now add a minor to their free CLEAR account. Once the minor is added to the parent/guardian account, the minor can use their own device to create a Health Pass for proof of vaccine by using the CDC Card Upload feature.

This process applies to users aged 14-17.

Users age 12 & 13 will need to follow the venue's secondary screening process.
