## CALL FOR ENTRIES

---

50<sup>TH</sup> ANNUAL DAYTIME EMMYS®  
2022-2023

For returning submitters, this section outlines rule changes from last year.

As a reminder, last year the two Television Academies announced a re-alignment in which content is now eligible for Primetime, Daytime, or Children's & Family based strictly on genre, not on daypart. Daypart/timeslot is no longer a factor in any competition. Please see [here](#) for a complete outline of competition eligibility by genre.

## DAYTIME DRAMAS - SERIES, WRITING, AND DIRECTING SUBCATEGORIES

The categories of Daytime Drama, Writing Team for a Daytime Drama Series, and Directing Team for a Daytime Drama Series recognize multi-camera daily serialized dramatic programs or reboots or spin-offs thereof.

### *Definitions therein:*

**Multi-Camera:** While the use of occasional single-camera and/or "on location" production utilizing existing structures and landscapes is permitted, at least 50% of total program content must be produced in a studio or soundstage environment utilizing (a) multiple cameras, either switched "live-to-tape" or later edited, and (b) sets and background environments designed and built originally for the production.

**Daily:** New program episodes must be released on a schedule of at least four (4) consecutive calendar days per week.

**Serial:** All episodes shall form a contiguous story arc, with principal plotlines continuing from one episode to the next.

**Additionally, Program Length:** Minimum average program content run time of 18 minutes per episode, with no single episode of fewer than 15 minutes.

### *Reboots and Spin-Offs:*

A reboot features AT LEAST TWO (2) of these characteristics:

- A remake of a previously existing Daytime serial property or franchise, with the same title or the same title with a subtitle added
- A sequel or continuation of a previously existing Daytime serial property or franchise, with the same title or the same title with a subtitle added
- Features the same and/or different characters but has a connection to the source material via concept or setting

A spin-off features AT LEAST TWO (2) of these characteristics:

- Takes place in the same universe as an original Daytime serial property or franchise (original property can currently be on the air or currently off the air)
- Features characters with a connection or relationship to characters from the original property
- Derived from already existing Daytime works with a focus on different details

If a program wishes to enter as a Daytime Drama reboot or spin-off based on an original program that participated in the Primetime Emmy Awards due to its timeslot, it MUST petition the Eligibility Panel via [eligibility@theemmys.tv](mailto:eligibility@theemmys.tv).

## *Subcategories*

This category is divided into two (2) subcategories, judged together but with potential awards presented in each subcategory:

**SUBCATEGORY 1A: OUTSTANDING DAYTIME DRAMA SERIES** – Recognizes Category 1-eligible programs that produced and distributed fifty-two (52) or more episodes during the eligibility period.

**SUBCATEGORY 1B: OUTSTANDING LIMITED DAYTIME DRAMA SERIES** – Recognizes Category 1-eligible programs that produced and distributed fewer than fifty-two (52) episodes during the eligibility period.

Any program that meets the Minimum Viability for Nomination threshold in its respective subcategory may be nominated in Category 1, with a maximum of five (5) nominees from each subcategory increased only in the case of ties.

Any competitive subcategory – that is, one with at least four (4) submissions and at least one (1) viable nominee – shall result in an award presented to the highest-scoring submission (or submissions, in the case of an unbreakable tie).

An award may be presented to the highest-scoring submission (or tied submissions) in an insufficiently-competitive subcategory – that is, one with fewer than four (4) submissions but nonetheless at least one (1) viable nominee – if the high-scoring submission meets the Minimum Viability for Award threshold.

All Daytime Drama acting categories and all general craft categories are NOT subcategorized. All entries are treated equally.

## WINNER VIABILITY FOR THE DAYTIME DRAMAS SUBCATEGORIES

Subcategorized Daytime Drama categories are generally awarded according to the same procedures as other competition categories. However, such subcategories are deemed “insufficiently-competitive” if the total number of submissions in the subcategory is fewer than four (4). Similar to the procedures for [Minimum Viability for Nomination](#), submissions in an insufficiently-competitive Daytime Drama subcategory must, in general, have an average judge-assigned score of 6.0 (“Outstanding – Worthy of an Emmy Award”) or greater to qualify for an award, and may not in any circumstance have an average score of less than 5.0 (“Very Good – Potentially Worthy of an Emmy Award”). Submissions with average scores between 5.0 and 6.0 may be awarded at the discretion of the National Awards Committee.

## GENERIC CRAFT CATEGORY TRACKING

Thanks to a successful pilot program last year and continued feedback from the Daytime community, tracking will now be a part of ALL Drama-eligible craft categories. Please see below for the full list of craft categories in which Dramas are eligible alongside other genres. The \*\* denotes this tracking system applies to this category.

In these categories, Dramas will receive nominations proportional to their representation within the entire entry count for the category, rounded UP to the nearest 20%. For example, if three Dramas enter a category with 13 total entries, Dramas represent 23% of the overall entry pool and will therefore receive two nominations within the category. Nominations are still subject to rules of minimum viability.

- 29. Music Direction and Composition\*\*
- 30. Original Song\*\*
- 31. Lighting Direction\*\*
- 32. Technical Direction, Camerawork, Video\*\*
- 35. Multiple Camera Editing\*\*
- 36. Live Sound Mixing and Sound Editing\*\*
- 39. Casting\*\*
- 40. Art Direction/Set Decoration/Scenic Design\*\*
- 41. Costume Design/Styling\*\*
- 42. Hairstyling and Makeup\*\*

## GAME SHOW ELIGIBILITY

Game Show is now considered strictly the purview of the Primetime Emmys, regardless of daypart. The Primetime Emmys will have categories for Game Show and Game Show Host. Game Shows are no longer eligible in the Daytime Emmys.

## INSTRUCTIONAL/HOW-TO ELIGIBILITY

Instructional/How-To programming is now considered strictly the purview of the Daytime Emmys, regardless of daypart. Programming is considered Instructional/How-To if:

- Primary focus is on craft rather than the personalities and dramatic narrative
- Learning techniques, choosing materials, "DIY," etc.
- NO competition or prize component (including cash)
- Not rated TV-MA
- The Eligibility Panel will be available for review to determine if your contest is Instructional/How-To in Daytime or Structured Reality in Primetime. More details on the Eligibility Panel process are contained in this Call for Entries.

## AWARDS SHOW ELIGIBILITY

All Awards Shows programming is considered the purview of Primetime, except for completely children's-focused shows (e.g. Kids' Choice Awards), which are the purview of the Children's & Family Emmys. All creative arts and/or red carpet presentations associated with Awards Shows, regardless of platform and timeslot, are automatically Primetime, with the notable exception outlined above.

## AGE RESTRICTION

As announced last year, the Younger Performer categories are being unified across NATAS Emmys competitions. As such, this year the age limit is being lowered to 18. Entrants in this category must be no older than 18 on at least January 1, 2022. It does not matter the age the entrant is currently, or the age when the material aired, provided they were born NO LATER THAN January 1, 2004.

## ELIMINATED CATEGORIES

The following categories did not reach individual viability for continuation and have been removed from the Daytime competition:

Interactive Media  
Special Effects Hair, Makeup and Costumes

## MERGED CATEGORIES

Informative and Entertainment Talk Show is now Daytime Talk Series  
Informative and Entertainment Talk Show Host is now Daytime Talk Series Host

As part of the continued re-alignment efforts with the Television Academy/Primetime, both previously existing Talk Show categories have been merged into a single Daytime Talk Show category. A Talk Show is defined as programming focused on unscripted interviews or panel discussions between a host/hosts and guest celebrities or personalities.

A Daytime Talk Series can include scripted elements and other aspects of a Variety Series such as monologues, musical performances, etc. so long as the main intent of the program is of a Daytime nature, are exhibited by:

- Primarily driven by interviews/discussions
- Formulation and/or promotion as a Daytime program
- TV-G or TV-PG rating
- Audience interaction and/or panel discussion by multiple hosts
- Segments featuring cooking, crafting, and or Daytime genres
- Reference to "daytime," "morning," "today," etc in the title

Programs that rely primarily on monologues, musical performances, or other scripted variety elements should consider Eligibility Panel review to determine whether placement in the Talk Series or Variety Series categories of the Primetime competition are more appropriate.

All Talk Shows formerly entered in and/or nominated in the Daytime Emmys are still eligible for Daytime.

## SINGLE AND MULTI CAMERA DIRECTING FORMAT CHANGES

The Directing for a Single Camera Program and Directing for a Multiple Camera Program categories now require a compilation reel of up to 40 minutes containing scenes from as many episodes as the entrant wishes that highlight the best directorial moments. These categories no longer require full episode or full Special submissions.

## HAIR, MAKEUP AND COSTUMES CHANGES

With the elimination of the Special Effects Hair, Makeup and Costumes category, submissions into the individual Costume Design/Styling and/or Hairstyling and Makeup categories may include NO MORE THAN 50% MATERIAL that qualifies as special effects - e.g. prosthetics, wound, sci-fi, historical, Halloween, etc. If submissions include these specialty looks, any additional artisans credited MUST be included in the eligible individuals for the submission.

## VIDEO UPLOADS

Whether the submission calls for a full episode(s) or a clip reel, the video submission may NOT include any form of identifying information on individual entrants except in on screen talent categories. It is against the rules of the Daytime Emmys to include a list of eligible entrants anywhere in a submission video, including as a slate. The judging process for the Daytime Emmys is completely anonymous and judges are not allowed to know the names of individuals associated with each submission.

## OPTIONAL SECOND VIDEO

If you are entering a category that has an optional second video, the first video becomes the de facto primary video with the Ceremony Clip being pulled from that video.

## SLATES

Slates are only required where specified within the By-Category Rules. Slate requirements are limited to categories that require clip reels as opposed to full episodes. If you choose to slate full episode submissions, please note the following requirements:

1. Slates must have the correct category name and number on them. If you are submitting the same episode in multiple categories, the slate may be wrong for one or more of the categories. This is not grounds for disqualification but often confuses the judges.
2. Slates may not have the names of any entrant team members on them except as required for the Performer/Host categories.

## ELIMINATION OF SLIDING SCALE FEES

In continued efforts to unify across NATAS Emmys competitions, the Daytime Emmys will no longer feature sliding scale entry fees based on the number of entrant team members. Cost is now determined by Program v. Non-Program category and my Early Entry v. Final Entry only. We anticipate overall Programs will experience the same entry costs across the board.

## CEREMONY TICKET PRICES AND COMP POLICY

To provide greater clarity and accessibility, we have this year simplified our ticketing structure. Under this model, the past practice of complimentary tickets for nominees has been eliminated and replaced by an across-the-board reduction in ticket costs for all attendees. The current-published rates for this year's events are:

Daytime Emmy Awards Ceremony (June 16)	\$600.00
Daytime Emmys Creative Arts & Lifestyle Ceremony (June 17)	\$450.00

**Additional seating, package, and pricing options may become available. All event details and prices remain subject to change prior to the official on-sale announcement date.**

## NEW ENTRY SYSTEM

The Daytime Emmys now uses "Orthicon" as its official entry system - [enter.theemmys.tv](https://enter.theemmys.tv). With this system, submitters sign up once and have the option to submit and/or judge for one or multiple NATAS competitions. This system retains information from year to year and utilizes a single sign-in.

The following genres are considered strictly the purview of the Daytime Emmys. **Other than Daytime Dramas, defined as multi-camera daily serials or spin-offs or reboots thereof, Daytime does not accept any fictional programming:**

## DAYTIME EMMYS GENRES

Daytime Drama\*\*, Culinary, Daytime Talk Series, Lifestyle, Arts and Popular Culture, Travel/Adventure/Nature, Legal/Courtroom, Entertainment News, Educational/Informational, Daytime Non-Fiction Special, Daytime Non-Fiction Short Form, NEW: Instructional/How-To, Dog Shows, Parades

Ratings restriction - the Daytime Emmys does not accept any content rated TV-MA, or content that would be rated TV-MA if on a traditional linear network.

The following genres are considered strictly the purview of the Primetime Emmys:

## PRIMETIME EMMYS GENRES

"All Other" Drama, Comedy, Dramedy, TV Movie, Miniseries, Anthology, Competition Reality (except with children contestants), Variety, Primetime Talk Show, Horror, Science Fiction, Fantasy, Musical, Adult Animation, NEW: Game Shows, Awards Shows

## FORMAT OF THIS CALL FOR ENTRIES

This Call for Entries contains all relevant information about the Daytime Emmy Awards. The National Emmys General Rules & Procedures that appear after this CFE outlines all procedures applying uniformly to all national NATAS Emmys contests (Children's & Family, Daytime, News & Documentary, and Sports). In combination, they make up the rulebook for the Daytime Emmys,

## WHAT ARE THE DAYTIME EMMY AWARDS?

As of the 2022 contest, the Daytime Emmys recognize the best of entertainment in the following genres regardless of daypart: Daytime Drama, Daytime Talk Series, Culinary, TravelAdventure/Nature, Legal/Courtroom, Lifestyle, Instructional/How-To, Arts and Popular Culture, Entertainment News, Daytime Special, Daytime Short Form Non-Fiction, Dog Shows, and Parades.

All categories at the Daytime Emmys are open to all broadcast networks and all streaming platforms, including self-published. The presentation of these awards is intended to be an incentive for the continued pursuit of excellence.

## HOW ARE THE DAYTIME EMMYS DIFFERENT FROM THE PRIMETIME EMMYS?

The Primetime Emmys, honoring the best in Primetime entertainment viewing, are administered by our sister academy, the Television Academy. The Daytime Emmys are administered by the National Academy of Television Arts & Sciences. The Daytime Emmys have been awarded since 1974. As of the 2021 Daytime contest launch, the Daytime and Primetime contests are delineated by genre.

The Primetime and Daytime statues are IDENTICAL. They are produced at the same manufacturer to the same specifications.

In keeping with the NATAS tradition also employed by the Children's & Family Emmys, Sports Emmys, News & Documentary Emmys, and Regional Emmys, the Daytime Emmys use a peer judging process (see Judging section). At the outset of the contest, all submissions are accompanied by viewing/evaluation materials such as video and accompanying essays. Judges evaluate entries in their field of expertise and grade all entries in a given category.

## WHO DO I CONTACT IF I HAVE A QUESTION?

For questions regarding the administration of the contest - eligibility, entering, categories, judging, etc. - please contact the Daytime administration team at [daytime@theemmys.tv](mailto:daytime@theemmys.tv) or 212-586-8424 (Eastern time zone). For technical support questions - video upload difficulties, technical specs, etc. - please contact tech support at [orthicon-support@theemmys.tv](mailto:orthicon-support@theemmys.tv).

## ENTRY SYSTEM

Upon the publication of the Call for Entries and opening of the official entry system at [enter.theemmys.tv](http://enter.theemmys.tv), the Daytime Emmys contest is officially considered to be in progress. During the entry window, entrants can login and log out as many times as needed to complete their entries. All materials must be completed and the submission paid for in order for it to be vetted for judging.

Beginning this year, entrants must register only once. Registration information will carry over from year to year, and a single profile enables individuals to enter, judge, and access multiple contests. Submitters should update their information when logging in for the first time each contest cycle.

## SUBMISSION REQUIREMENTS

All entrants must submit content for each category they enter for evaluation by qualified peer judges. This evaluation determines both the nominees and recipients in a single viewing round. Due to the variation of submission requirements in each category, please refer to the By-Category Submissions Guide section of this document which provides complete detail and deadline information for each category.

## WHAT CONTENT CAN BE ENTERED?

Series and Specials (depending on the category), and their related craft achievements, must have originally aired or been made generally available for viewing, by at least 50% of the US households between the dates of **January 1, 2022 to December 31, 2022**.

## SPECIAL VERSUS SERIES

A Special is defined as a single original program, which is not part of a Series, and is broadcast in one or two parts. A Series is defined as a program comprising three or more parts or episodes. Some categories accept a Series only. Refer to the By-Category Submission section of this document to determine which categories allow Series and/or Specials. A “special” episode of a Daytime series may be entered separately as a stand-alone special, but only if it was not part of the regular series, or it involved significant and substantive format changes such as a different program running time or different producers, writers and cast, or the content was designed with a beginning, middle and end rather than open-ended serial-style.

Category titles with “Series” only accept Series, category titles with “Special” only accept Specials, category titles with “Show” or “Program” accept both Series and Specials.

NOTE: If a Special runs longer than an hour, please contact Daytime administration for advice on how to submit the content for Program, Writing and Directing categories.

## DAYTIME DRAMAS DEFINITIONS AND SUBCATEGORIES

The categories of Daytime Drama, Writing Team for a Daytime Drama Series, and Directing Team for a Daytime Drama Series recognize multi-camera daily serialized dramatic programs or reboots or spin-offs thereof.

### *Definitions therein:*

**Multi-Camera:** While the use of occasional single-camera and/or “on location” production utilizing existing structures and landscapes is permitted, at least 50% of total program content must be produced in a studio or soundstage environment utilizing (a) multiple cameras, either switched “live-to-tape” or later edited, and (b) sets and background environments designed and built originally for the production.

**Daily:** New program episodes must be released on an average schedule of at least four (4) consecutive calendar days per week.

**Serial:** All episodes shall form a contiguous story arc, with principal plotlines continuing from one episode to the next.

**Additionally, Program Length:** Minimum average program content run time of 18 minutes per episode, with no single episode of fewer than 15 minutes.

### *Reboots and Spin-Offs:*

A reboot features AT LEAST TWO (2) of these characteristics:

- A remake of a previously existing Daytime serial property or franchise, with the same title or the same title with a subtitle added
- A prequel, sequel or continuation of a previously existing Daytime serial property or franchise, with the same title or the same title with a subtitle added
- Features the same and/or different characters but has a connection to the source material via concept or setting

A reboot features AT LEAST TWO (2) of these characteristics:

- Takes place in the same universe as an original Daytime serial property or franchise (original property can currently be on the air or currently off the air)
- Features characters with a connection or relationship to characters from the original property
- Derived from already existing Daytime works with a focus on different details

If a program wishes to enter as a Daytime Drama reboot or spin-off based on an original program that participated in the Primetime Emmy Awards due to its timeslot, it **MUST** petition the Eligibility Panel via [eligibility@theemmys.tv](mailto:eligibility@theemmys.tv).

## *Subcategories*

This category is divided into two (2) subcategories, judged together but with potential awards presented in each subcategory:

**SUBCATEGORY 1A: OUTSTANDING DAYTIME DRAMA SERIES** – Recognizes Category 1-eligible programs that produced and distributed fifty-two (52) or more episodes during the eligibility period.

**SUBCATEGORY 1B: OUTSTANDING LIMITED DAYTIME DRAMA SERIES** – Recognizes Category 1-eligible programs that produced and distributed fewer than fifty-two (52) episodes during the eligibility period.

Any program that meets the Minimum Viability for Nomination threshold in its respective subcategory may be nominated in Category 1, with a maximum of five (5) nominees from each subcategory increased only in the case of ties.

Any competitive subcategory – that is, one with at least four (4) submissions and at least one (1) viable nominee – shall result in an award presented to the highest-scoring submission (or submissions, in the case of an unbreakable tie).

An award may be presented to the highest-scoring submission (or tied submissions) in an insufficiently-competitive subcategory – that is, one with fewer than four (4) submissions but nonetheless at least one (1) viable nominee – if the high-scoring submission meets the Minimum Viability for Award threshold.

## DAYTIME TALK SERIES DEFINITION

A Daytime Talk Series can include scripted elements and other aspects of a Variety Series such as monologues, musical performances, etc. so long as the main intent of the program is of a Daytime nature, are exhibited by:

- Primarily driven by interviews/discussions
- Formulation and/or promotion as a Daytime program
- TV-G or TV-PG rating
- Audience interaction and/or panel discussion by multiple hosts
- Segments featuring cooking, crafting, and or Daytime genres
- Reference to “daytime,” “morning,” “today,” etc in the title

## INSTRUCTIONAL/HOW TO DEFINITION

A Daytime-eligible Instructional/How To program features ALL of these characteristics:

- Primary focus is on craft rather than the personalities and dramatic narrative
- Learning techniques, choosing materials, “DIY,” etc.
- NO competition or prize component (including cash)
- Not rated TV-MA
- The Eligibility Panel will be available for review to determine if your contest is Instructional/How-To in Daytime or Structured Reality in Primetime. More details on the Eligibility Panel process are contained in this Call for Entries.

## REBOOT AND SPIN-OFF DEFINITIONS

A reboot features AT LEAST TWO (2) of these characteristics:

- A remake of a previously existing Daytime serial property or franchise, with the same title or the same title with a subtitle added
- A sequel or continuation of a previously existing Daytime serial property or franchise, with the same title or the same title with a subtitle added
- Features the same and/or different characters but has a connection to the source material via concept or setting

A spin-off features AT LEAST TWO (2) of these characteristics:

- Takes place in the same universe as an original Daytime serial property or franchise (original property can currently be on the air or currently off the air)

- Derived from already existing Daytime works with a focus on different details
- If a program wishes to enter as a Daytime Drama reboot or spin-off based on an original program that participated in the Primetime Emmy Awards due to its timeslot, it MUST petition the Eligibility Panel via [eligibility@theemmys.tv](mailto:eligibility@theemmys.tv).

## ELIGIBILITY PANEL

If:

- You are a new entrant and you are unclear which contest you belong in
- Your program was previously in the Primetime Emmys but may fall into the Daytime Instructional/How-To category with the new re-alignment
- You are a Talk Series that has never entered an Emmys contest before
- Your program may qualify as Young Teen
- You are a spin-off or reboot of an existing property
- You are petitioning to change contests from Daytime to Primetime or vice versa
- You are appealing an administrative decision made regarding contest placement

We recommend a petition to the Eligibility Panel to get an official ruling on which contest your material is eligible in. To petition, email [eligibility@theemmys.tv](mailto:eligibility@theemmys.tv) with a link of up to 6 episodes and state the reason for your petition. Please do NOT include a cover letter beyond the basics as material designed to sway the panel will not be distributed or taken into consideration.

To keep in mind when you are petitioning – programs are designated to specific contests and can only switch due to either a substantial change in the nature of the contest or a substantial change to the nature of the material. If a contest has automatically switched your eligibility (e.g. you used to enter Children's in Primetime), you do not need to petition.

Staff of either Academy can unilaterally refer material to the Eligibility Panel without a petition.

## GENDERED ACTING CATEGORIES

Performers eligible in gendered acting categories are encouraged to enter the one that best fits their gender identity. The Daytime Emmys will honor the category all eligible performers select to best represent themselves. Winners and nominees in gendered acting categories can request “Actor” or “Actress” be removed from their band engraving or nomination certificate. The Daytime Emmys is committed to a diverse and equitable competition for all and is working towards elimination of gendered acting categories.

## ACTING CATEGORIES

**One Entry Per Performer / Per Character.** Performers are only eligible to enter for a single character once. If the character appears on multiple shows, they are eligible for multiple shows and their reel may contain clips from the multiple shows but the performer may not enter multiple categories for that same role.

As an example, Deidre Hall as Dr. Marlena Evans on “Days of Our Lives” and “Beyond Salem” may submit once for her performance as Marlena but her reel may contain clips from both programs and any resulting nomination or win would credit both programs. Alternatively, she may choose to submit instead for just “Days of our Lives” or just “Beyond Salem.”

**One Entry Per Performer / Per Show.** Performers playing multiple roles on the SAME PROGRAM are only eligible to enter once for that program.

Actors are eligible to submit more than once if they appear as different characters on different programs.

Multiple actors may submit for the same character separately if a re-cast has happened during the eligibility window.

## CONTENT EXCEPTIONS

If your content would be programmed to air at 10pm or later if on traditional television, it must be entered into the Primetime Emmys and is not eligible for the Daytime Emmys. This includes content that contains graphic violence, nudity, sex, excessive coarse language, or rated TV-MA.

## CRAFT CATEGORIES

Craft categories that do not specify a specific genre in their category title are therefore open to all genres. Some categories may be subject to representational nominations based on style or genre of programming. Specifics are listed in the By-Category rules.

## SPANISH LANGUAGE ENTRIES

The Daytime Emmys no longer has any exclusively Spanish language categories. Spanish language content is permitted to enter any generic category with subtitles. Administration will do its best to assign Spanish fluent judges to any categories containing Spanish language content.

## MISCELLANY

Any individual Program may be submitted in one Program category only. The submitted video is considered to be representative of the full season. However, that Program may be entered in as many related Performer and Craft categories as are appropriate.

In most Program and Craft categories, only one entry per Program is allowed, with the following exceptions:

- Performers - Programs may enter as many different Performers as desired
- Songs - Programs may enter as many different Songs as desired
- Promos - Programs may enter as many different Promo campaigns as desired (multiple spots for the same campaign would be considered a single entry however)

Host, Performer and Craft categories can be submitted independently, whether the associated Program has been submitted or not, but follows the eligibility of the Program.

Multiple Performers from a particular Program should enter individually. However, multiple Hosts or Co-Hosts must be entered collectively as a single entry.

Individuals who work in different Craft disciplines on a program may enter in each of the appropriate categories associated with those disciplines.

Individuals who work on different programs may enter their work for each program as separate entries in the same category.

## ENTERING THE DAYTIME EMMY AWARDS

When a Program has the choice of category placement, the producer has the discretion to enter it and its individual achievements in the most appropriate category within the rules. Placement in that particular category locks in the subsequent years' placements and cannot change from year to year without review and approval of the National Awards Committee. The placement of a Program automatically directs the placement of all related categories.

Individuals may self-submit even if a producer has submitted the Program itself or in other associated categories.

## ESSENTIAL ENTRY INFORMATION

The following information is considered Essential Entry Information. It is REQUIRED for EACH ENTRY. Use the checklist below to ensure each entry has the following information completed according to our rules.

- Entrant Contact - more detailed information below
- Eligibility Checkboxes
- Category
- Program Name
- Program Logo
- Network Name
- Total Number of Episodes for a Series (For a Special enter "1")
- Submission Video - more detailed information below
- Ceremony Clip - GUIDE below
- Episode References - GUIDE below
- Eligible Credits - GUIDE below
- Licensing Agreement - GUIDE below
- Payment - GUIDE below

## ENTRANT CONTACT

The name, email address and phone number for the Entrant Contact is required for each submission. This Entrant becomes the Entrant of Record and is the administration's de facto point of contact for any follow up information, including (but not limited to) production needs and eligibility questions.

**IMPORTANT:** For Third-Party Submitters, this MUST include a Secondary Contact that is a direct line of communication with the Program. Failure to provide this is grounds for disqualification as Third-Party Submitters do not legally have the authority to give the Daytime Emmys the rights to utilize video footage from each specific entry.

## SUBMISSION VIDEO

Every single submission requires a video upload. Refer to the By-Category listing for specific requirements, such as full episode, clip reel or multiple videos.

Some categories require composite/reel videos and some categories require full episodes. DO NOT include bars and tones, DELETE commercials and other interstitials and pull blacks down to 2-3 seconds. For composite reels, we allow for clips from any episodes within the calendar year. You will be asked to list the airdates of ALL episodes using in your reel. Composite reels must NOT be sizzle reels.

Videos may NOT include any onscreen credits that identify eligible individuals, except in on screen talent categories or in a credits roll that exists within a full episode/Special video. Slates listing entrant names are grounds for disqualification.

The same video file can be uploaded across categories provided they have the same video requirements. Where the same video file is used for multiple categories, the file is uploaded once and assigned to the appropriate categories. Entrants can accomplish this by adding the video to your account's media library and then applying that video to the entry as necessary.

It is the responsibility of the entrant to ensure that all videos uploaded are correctly formatted.

If you are entering audio categories on behalf of a program, a supervising mixer and/or editor from your team should review and approve the audio of your submission file BEFORE uploading and AFTER the video has been encoded, to ensure that it presents the best quality for the judges.

The licensing agreement (see more information below) required upon entry gives NATAS the rights to use your submission video for two express purposes:

1. The video in its entirety on the password-protected judging platform, for the limited timeframe outlined by the judging calendar
2. A Ceremony Clip to be used in perpetuity for livestreamed and/or telecast awards ceremonies

The Ceremony Clip is thirty seconds (0:30) FROM YOUR SUBMISSION VIDEO that will be used by production in the event of a nomination. According to the rules of NATAS Emmy contests the Ceremony Clip be a segment of the work that has been judged by the judging panel and not from an external episode. Entrants are providing Time Into Video and Time Out of Video, whereby you are listing the point in your submission video where you'd like your Ceremony Clip to begin and the time where you'd like your clip to end and the time should be no longer than thirty seconds (0:30) total. Entrants are also listing Audio In Cue and Audio Out Cue whereby you are listing the corresponding onscreen dialogue or action taking place during the selected timecodes. This acts as a confirmation that production is using the correct clip. BOTH formats of logging this information (timecode and audio cue) are requirements for entry.

The identified clip must be free and clear of any and all encumbrances which could limit the ability of NATAS to include the clip in the program and its distribution, publicity, and promotion, including without limitation digital program archives, in perpetuity.

If you are entering a category that has the option to upload a second episode, your Ceremony Clip will come from the FIRST video (default video).

Entrants are required to choose Ceremony Clips for ALL entries during the entry window itself. Entrants may ONLY change their Ceremony Clip selection after point of submission if so permitted by a Master License Agreement with NATAS.

## DOS:

- DO use the first frame of video in your submission as your “zero” point - even if it’s a slate - to identify the point in terms of minutes and seconds from that “zero” point where the 30 second section begins
- DO identify timecode in the format of H:MM:SS
- DO guarantee the clip is licensed and cleared by appropriate parties for usage in the program, distribution, publicity, promotion and archives in perpetuity
- DO use the “Audio In and Out” textbox to indicate audio cues that exist within the 30 seconds you’ve chosen (e.g. “Door slams” or a specific line of dialogue)
- DO think about which clip shows off the work being awarded in that particular category (e.g. if entry is for Editing, choosing a clip that shows off the work of the editing team as opposed to one sweeping shot)

## DON'TS:

- DON'T identify a portion of the clip that contains otherwise copyrighted material, e.g. songs, logos, clips from other media (e.g. “Girl on Fire” playing in the background - this clip will not be approved for production as NATAS does not have the in perpetuity rights to Alicia Keys’s “Girl on Fire”)
- DON'T use a Time Into Video to list the total run time of the entry
- DON'T use a Time Into Video that lists 00:00 as the starting point unless you want the first 30 seconds of your submission used
- DON'T upload another video file for the Ceremony Clip. You are indicating the timecode points of your existing video submission where the Ceremony Clip should begin and end and our production team is pulling the content.
- DON'T select a clip that has a black hole for a clip reel entry
- DON'T select the same Ceremony Clip for multiple categories. If you have (according to the rules) submitted the same program or video submission in more than one category, consider a 30 second clip that highlights costumes in an Costume Design/ Styling category, for example. If you earn more than one nomination it is best to see various parts of the submission video at the ceremony to best represent your work.

Each entry requires a listing of ALL air dates and episode numbers included in your submission video. This is for administration to properly vet the eligibility of your submission.

## DOS:

- DO list all episodes contained within the submission - this may be one episode if it's a single episode category, or it may be multiple episodes if it's a clip reel category
- DO list the ORIGINAL airdate/stream date for each episode used within the submission
- DO use the Episode References field in the entry form to list this information even if you include it slated within a reel. It is a required field in the entry form.
- DO use the "+" field in the form to add additional references if you have more than one episode contained within your submission video

## DON'TS:

- DON'T list the full season of episodes - this is strictly to identify episodes used within your submission
- DON'T list episodes more than once - if the same episode is used multiple times, it only needs to be listed once
- DON'T list timecodes - the Daytime Emmys no longer require reels to be identified by timecode

Each category description includes the rules for eligibility within that category. ALL individuals who qualify based on titles and percentage of episodes worked on must be included. The Daytime Emmys are team awards.

Inclusion of individuals with not-on-list titles is available via petition only. To petition a not-on-list individual/title, Orthicon contains a link to an external Google Form. This form must be filled out in its entirety for each petitioned individual. Petitions will be addressed individually by the Awards Committee after announcement of the nominations.

It is of paramount importance that the credits be correct within each entry, including (but not limited to):

- Spelling
- Title
- Making sure every eligible individual is included

The credits list feeds directly into the print program, the press release(s), and our statue archiving system. Credited individuals are officially recognized as nominees in the event of a nomination, and as winners in the event of a win.

Credits are automatically organized by hierarchy of title and then alphabetical by last name within. The Daytime Emmys does not accept changes to the order in which credits are displayed on print materials or onscreen.

There are three deadlines regarding eligible individuals:

1. **Entry Deadline** - all credits should ideally be included during the entry process. This is the **ONLY WAY** to guarantee the credits will be accurate on the initial nominations press release.
2. **Gratis Deadline** - this deadline is when the Daytime Emmys accepts changes to the credits list **GRATIS**. This date is **MAY 1, 2023**. It is incumbent upon the entrant to liaise with clients and platforms to make sure all individuals are included in order to avoid a fee for changes.
3. **Late Credit Addition Deadline** - this deadline is when the Daytime Emmys accepts changes to the credits list for a fee of \$150 per change. This date is **30 DAYS AFTER THE FINAL DAYTIME CEREMONY**. After that time, there are no changes to the credits regardless of circumstances as the records are considered confirmed and archived.

Each entrant must unqualifiedly affirm via the Entrant Clip License that all rights and clearances have been obtained and are thereby licensed to NATAS for these purposes, and that the entrant is in fact authorized to convey such rights. Organizations frequently submitting competition content may alternatively request to enter into a “master agreement” with NATAS that, when executed, may obviate the need for administering certain further individual entry licenses. Interested organizations should contact NATAS contest administration for referral to the NATAS General Counsel for this purpose.

Third-Party Submitters are required to list a Secondary Contact (their name, email address, and phone number) who is legally authorized to license the rights to NATAS for the express purposes of:

1. The video in its entirety on the password-protected judging platform, for the limited timeframe outlined by the judging calendar
2. A Ceremony Clip to be used in perpetuity for livestreamed and/or telecast awards ceremonies

**EARLY DEADLINE: FEBRUARY 28, 2023**

**FINAL DEADLINE: MARCH 7, 2023**

## ENTRY FEES

Each entry has a fee based on the type of category and date. The Daytime Emmys have an Early Deadline which includes a reduced fee per entry, in addition to a Final Deadline. The Early Deadline discount is the **ONLY WAY** to receive a discount. NATAS competitions do not offer discounts based on membership status or bulk submissions.

### **PROGRAM AND PROMO (CATEGORIES 1-13):**

**EARLY DEADLINE: \$425**

**FINAL DEADLINE: \$475**

### **PERFORMER, HOST AND CRAFT (CATEGORIES 14-42):**

**EARLY DEADLINE: \$350**

**FINAL DEADLINE: \$400**

## PAYMENT

Entries can be paid via AC (instructions below), check (instructions below), or credit card (via the Orthicon portal).

ACH: Contact the NATAS Finance Department at [finance-team@theemmys.tv](mailto:finance-team@theemmys.tv) to set up ACH. ACH is strongly encouraged.

Payment by Check: An invoice can be generated for the entry. Please make the check payable to NATAS Daytime and note any and all related entry numbers on the check. Payment of these entries must be received by the Final Deadline for inclusion on the ballot.

## REFUNDS

As entry fees cover administrative costs, there will be no refunds except in cases of the elimination of a category.

The Contextual Brief (formerly known as the “Emmy Essay”) is NOT required, but it is a recommended part of the entry process. The Contextual Brief gives the judges the opportunity to learn more about the entry and what they should be looking for when evaluating the material.

Surveys with judges regularly show that judges do read and engage with the Contextual Briefs. This is the best way to put some finesse on your entry!

## DOS:

- DO write about your entertainment, motivational, instructional, informational, and/or educational goals and research
- DO write about production and creative techniques used
- DO write about challenges that were met
- DO write about any impact the content had after airing
- DO use timecode to point out specific portions of the video you would like to draw the judges’ attention to (e.g. “At 2:10, you will see this specific technique used”)
- DO remember that your content is being judged by a jury of peers - any insight and context that cannot be readily seen can help
- For any Non-Fiction Writing entries: DO highlight what aspects were pre-written/pre-scripted versus improvised
- For Performers: DO include a short contextual plot and performance summary as a guide for performer judges
- DO proofread and spell check

## DON'TS:

- DON'T go over the 200 word limit
- DON'T have typos and grammatical errors
- DON'T submit promotional materials (e.g. winner or nominated for other awards, critical quotes)
- DON'T mention or list individual entrants’ names (e.g. listing the individual writers on a writing entry)

**Audio accepted formats: mp3**

**Video accepted formats: mp4 (PREFERRED), mov, wmv, avi**

**Images accepted formats: jpg, jpeg, png**

**Documents accepted formats: pdf**

**Video max size: 10GB**

Another option is to utilize special transcoding software. We recommend Handbrake, Media Encoder, Compressor, etc.

**Sample Rate: 48 Hz**

## SIGNING UP

Opening on **FEBRUARY 21, 2023**: Individuals can register to participate as a judge at [enter.theemmys.tv](https://theemmys.tv).

**NEW:** A single profile allows an individual to submit, to judge, and access to all the Daytime Emmys year after year.

## CONFLICTS OF INTEREST

Judges are required to disclose ALL programming they are currently working on or have worked on within the past two (2) years. Judges are not permitted to judge categories featuring their own work.

**IMPORTANT:** If a judge is placed on a panel in which they have a conflict of interest, there is a mechanism by which to self-report the conflict and have that entry removed from the ballot. The judge may still participate in that category, but all efforts are made by administration to try to prevent placing judges on panels in which they have a conflict.

## JUDGING QUALIFICATIONS FOR DAYTIME

Judges must be a member of the National Academy of Television Arts & Sciences, the Television Academy, other qualified organizations, be a previous Primetime or Daytime Emmy nominee, and/or have at least two years of experience within the respective field within the past five years. Judges are individually vetted for qualifications, areas of expertise, and conflicts of interest.

Eligibility is determined on a case-by-case basis. Approval and panel assignment is made based upon information provided on the Judge's Application or from past participation. In applicable categories, qualified peer judges from other genres will be permitted to judge, if necessary, to satisfy minimum panel requirements. If judging cannot be fulfilled by qualified member judges, the NATAS reserves the right to enlist qualified non-members but only when and where necessary to facilitate the fulfillment of panels.

## MEMBERSHIP

All categories prioritize members-only judges but certain categories for the Daytime Emmy Awards are solely members-only judges. To check the status of your membership, become a member, or renew your membership:

Television Academy – <https://www.emmys.com/members>

NATAS – <http://emmyonline.com/membership>

## SELF CONFLICT

In the crafts categories in which Daytime Dramas are permitted to enter, craftspeople associated with the Daytime Dramas may participate but must declare a conflict for entries they worked on. Declaring a conflict will remove that entry from their ballot. No judges are ever permitted to score their own work.

## JUDGING DEMOGRAPHICS

In order to enhance the Daytime Emmys' commitment to diversity in all parts of our contest, judges are required to fill out a demographics survey at sign up. They will be requested to answer questions regarding their gender, race, and location. Response is voluntary. Declining to participate in no way affects your participation as a judge or panel placement in future competitions. Your responses will only be used for the Daytime Emmys to continue developing equitable and diverse judging pools.

# PROGRAM CATEGORIES

## CATEGORY 1- OUTSTANDING DAYTIME DRAMA SERIES

(For a Series)

This category recognizes **multi-camera daily serialized drama, or reboots or spin-offs thereof**. All Daytime Emmys categories are open to all platforms.

**Multi-Camera:** While the use of occasional single-camera and/or “on location” production utilizing existing structures and landscapes is permitted, at least 50% of total program content must be produced in a studio or soundstage environment utilizing (a) multiple cameras, either switched “live-to-tape” or later edited, and (b) sets and background environments designed and built originally for the production.

**Daily:** New program episodes must be released on an average schedule of at least four (4) consecutive calendar days per week.

**Serial:** All episodes shall form a contiguous story arc, with principal plotlines continuing from one episode to the next.

**Additionally, Program Length:** Minimum average program content run time of 18 minutes per episode, with no single episode of fewer than 15 minutes.

A reboot features a AT LEAST TWO (2) of these characteristics:

- A remake of a previously existing Daytime serial property or franchise, with the same title or the same title with a subtitle added
- A prequel, sequel, or continuation of a previously existing Daytime serial property or franchise, with the same title or the same title with a subtitle added
- Features the same and/or different characters but has a connection to the source material via concept or setting

A spin-off features the MAJORITY of these characteristics:

- Takes place in the same universe as an original Daytime serial property or franchise (original property can currently be on the air or currently off the air)
- Features characters with a connection or relationship to characters from the original property
- Derived from already existing Daytime works with a focus on different details

If a program wishes to enter as a Daytime Drama reboot or spin-off based on an original program that participated in the Primetime Emmy Awards due to its timeslot, it **MUST** petition the Eligibility Panel via [eligibility@theemmys.tv](mailto:eligibility@theemmys.tv).

- Is the content produced and intended for a national or global audience?
- Has the material been entered in other national award competitions?
- Has the program been promoted to/ marketed to a national audience or produced in association with a national media brand, or was the content produced and intended for a regional or local audience?

## ABOUT NATAS

The National Academy of Television Arts & Sciences, Inc., (NATAS) is a 501(c)(6) non-profit service organization founded by the “Committee of One Hundred,” led by Ed Sullivan, in 1955. NATAS is dedicated to the advancement of the arts and sciences of television and the promotion of creative leadership for artistic, educational and technical achievements within the television industry. NATAS recognizes excellence in television with the coveted Emmy® Award. NATAS membership consists of more than 18,000 broadcast and media professionals represented in 19 regional chapters across the United States.

## NATIONAL AWARDS COMMITTEE

The National Awards Committee is the governing body of all NATAS Emmy® Awards (the Children’s & Family Emmy® Awards, the Daytime Emmy® Awards, the News & Documentary Emmy® Awards, the Sports Emmy® Awards, the Technology & Engineering Emmy® Awards, and the individual Regional Emmy® Awards). The National Awards Committee is responsible for the formulation of NATAS policy on all awards matters.

In order to achieve the greatest objectivity, inclusion, and equity in administering awards policies, the National Awards Committee and competition subcommittees reflect the wide range of programming, professions, and diverse backgrounds that make up the television industry. All National Awards Committee decisions are final and binding.

## NATAS AWARDS ADMINISTRATION

### NATIONAL PROGRAMMING

NATAS administers four national programming contests: the Daytime Emmy® Awards, the Children’s & Family Emmy® Awards, the News & Documentary Emmy® Awards, and the Sports Emmy® Awards – each having their own dedicated administrative teams. To reach out to the respective administrative teams regarding questions about rules, eligibility, or judging for their individual contests:

Children’s & Family Emmy® Awards - [childrens@theemmys.tv](mailto:childrens@theemmys.tv)

Daytime Emmy® Awards - [daytime@theemmys.tv](mailto:daytime@theemmys.tv)

News & Documentary Emmy® Awards - [news@theemmys.tv](mailto:news@theemmys.tv)

Sports Emmy® Awards - [sports@theemmys.tv](mailto:sports@theemmys.tv)

## NATAS AWARDS ADMINISTRATION (CONTINUATION)

### TECHNOLOGY & ENGINEERING

NATAS also administers the Technology & Engineering Emmy® Awards through peer review of scientific achievements. Questions regarding qualifications, eligibility, or process may be directed to [techemmys@theemmys.tv](mailto:techemmys@theemmys.tv)

### REGIONAL PROGRAMMING

Except for the Los Angeles area, Regional Emmy® Awards are individually administered by NATAS Regional Chapters, a full list of which is available at: <https://theemmys.tv/chapters>

### NON-NATAS-ADMINISTERED AWARDS

NATAS does not administer the International Emmy® Awards, Primetime Emmy® Awards, nor the Los Angeles Area Emmy® Awards. Those contests are administered by our sister Academies. To contact these Academies directly:

International - <https://www.iemmys.tv/international-academy/contact-us/>

Primetime & LA Area - <https://www.emmys.com/contact>

### TRANSPARENCY REPORT

Each year, NATAS publicly releases a Transparency Report outlining statistics as well as instances in which significant judgment calls are made by contest administration and/or the National Awards Committee regarding eligibility, ballot disqualification, or other matters which may have impacted the outcome of the competition. The report is anonymized as much as possible to protect privacy while providing insight into the complex, often difficult, discussions and decisions that form the bedrock of any fair competition.

## FORMAT OF THESE RULES

This book of Rules & Procedures outlines policies that apply across the breadth of each of the four NATAS Emmy® competitions for national programming content.

Along with the release of this document, NATAS publishes a “Call for Entries” (CFE) for each individual contest. Each CFE outlines additional rules, exceptions, and clarifications specific to the respective individual contest. This document and a respective competition’s CFE collectively form the “Rule Book” of any one individual competition for the entry year.

## POTENTIAL FOR CORRECTIONS

These rules and procedures are subject to change or correction by NATAS at any time, with or without prior written notice. The most current and all prior versions of the document are available at <https://theemmys.tv/rules>.

NATAS has adopted a semantic versioning method of identifying revisions, with such version numbers marked in the lower-right corner of each document page, represented in the format [CONTEST YEAR].[NOTABLE REVISION].[MINOR CORRECTION].

For example, the initial publication for the 2023 awards year is numbered v.2023.0.0. Corrections to typographical errors, formatting, or other changes of minor impact will increment this to v.2023.0.1. More notable clarifications, additions, deletions, or other substantial changes will instead increment to v.2023.1.0 and be identified in an appendix listing all such modifications.

## WHO MAY ENTER?

Anyone may enter NATAS/Television Academy membership is not a condition for entry in any NATAS Emmy® competition. Producers, designated awards consultants, show contacts, or individual entrant team members may submit entries on behalf of their program, on-air talent, or craft.

If a show intends to enter multiple categories, NATAS recommends that the show designates a main contact or “Show Shepherd” to handle submissions and general communication with the contest administration during the contest period.

**Anyone entering on behalf of an individual or entity must fully confirm that the parties represented in or by the submission have complete knowledge of all eligibility rules and have viewed and given consent to the content submitted on their behalf, and are required to provide contact information for the represented rightsholder. Any misrepresentation of consent or failure to provide accurate rightsholder information is grounds for disqualification.**

## ELIGIBILITY PERIOD

Programs distributed within the calendar year of January 1 to December 31, 2022 are eligible for submission, with the following exceptions:

### SPORTS EMMY® AWARDS: FOOTBALL PROGRAMMING

High school, college, or professional American football postseason programming that originally aired in 2022 but concluded within three days following the Super Bowl is eligible for entry in all categories other than Short Documentary, Long Documentary, and Serialized Documentary. **To be eligible, such football programming must have aired after 12:01 AM on February 17, 2022 and prior to 12:01 AM on February 16, 2023.**

### CHILDREN’S & FAMILY EMMYS®

The eligibility period will mirror the Primetime Emmy® Awards (June 1, 2022 - May 31, 2023).

## CONTENT ELIGIBILITY

NATAS contests are open to telecast programming and online/digital programming originally produced for video platforms and transmitted to the public by a television network, cable company, satellite, the internet, or other digital delivery media. Eligibility is limited to digital and telecast programming that was originally made available during the eligibility period and, as determined by contest administration, intended for a national audience during the specific competition's eligibility year.

All shows must contain at least two-thirds ( $\frac{2}{3}$ ) original material as aired during the eligibility period, unless the previously-produced material has been given substantial, unique, and creative treatment that, in the opinion of NATAS, results in an original program. Content must be entered in the format of its first method of transmission.

NATAS categories are not distribution-platform-specific. All categories are open to all platforms.

## DIGITAL DELIVERY PLATFORMS

All types of releases via digital delivery platforms – Transactional VOD (TVOD), Subscription VOD (SVOD), Advertising-Based VOD (AVOD), Free Ad-Supported Streaming Television, and similar technologies (collectively, “Digital” distribution throughout this document) – are eligible for submission. In general, the first distribution of the content on any platform is the governing air date and program form for determining eligibility.

However, a national television broadcast that airs after a Digital debut may be considered to be the canonical airing if:

1. The Digital distribution was not previously submitted, and
2. The national television broadcast premiere occurred within one year of its Digital debut.

## NATIONAL RELEVANCE

Content, whether online or distributed via telecast or cablecast, that is produced and intended for a specific local or regional audience, or for a particular geographic market, is eligible for a regional Emmy® Award and should be submitted to one of the [regional Emmy® competitions](#).

In determining whether content distributed online, without geographic restriction, is more appropriate for submission to a regional competition or a national one, entrants should consider the following characteristics of nationally-relevant content as guidelines:

## NATIONAL RELEVANCE (CONTINUATION)

- Is the content produced and intended for a national or global audience?
- Has the material been entered in other national award competitions?
- Has the program been promoted to/marketed to a national audience or produced in association with a national media brand, or was the content produced and intended for a regional or local audience?

In general, self-published online content in which a majority of these characteristics indicates it was produced and intended for a national or global audience is presumed to be more appropriate for submission to a national Emmy® competition. Those that suggest the content was produced and intended for a local or regional audience are presumed to be more appropriate for a regional competition.

Regional content that later receives national distribution may be submitted to either a Regional Awards competition or a relevant National Awards competition, subject to the following restrictions:

- Content may only be submitted to a single competition.
  - A program submitted to a regional competition may not then be submitted to a national competition or another regional competition.
  - Content along with all craft-category submissions associated with that content must be submitted to the same regional or national competition.
  - Splitting entries for the same content between regional and national competitions is not allowed.
  - In general, the first accepted submission to any Emmy competition shall determine the regional-vs-national standing of the content
- Eligibility for a regional competition is determined by the date the production was first telecast or made available via VOD in a region.
- Eligibility for a national competition is determined by the date the production was first telecast or made available via VOD nationally.
- For national eligibility, the national broadcast or VOD premiere must have occurred:
  - (a) during the national competition's eligibility period, and
  - (b) within twenty-four (24) months of the first regional distribution of any kind.

Those considering national submission for content originally aired regionally are strongly encouraged to contact awards administrators during the earliest eligibility period of the two relevant competitions to evaluate eligibility and avoid the risk of later-occurring determinations which may result in missed opportunities for consideration at any level.

## INTERNATIONAL PRODUCTIONS

In general, productions that feature financial and/or creative involvement between both United States and international entities, distributed globally, must first premiere in the U.S. to be eligible for submission to NATAS-administered Emmy® Award competitions. Programs produced by internationally owned entities but distributed exclusively in the U.S. are also eligible in NATAS competitions. All other internationally produced and distributed productions must submit to the International Emmy® Awards.

To accommodate the scheduling of “global premieres,” however, such globally-distributed US-International productions that debut in the United states within one (1) week of their first broadcast or Digital distribution in any global territory are also eligible for NATAS awards consideration. Productions with such simultaneous global premieres may, pending other category eligibility criteria, be eligible in either a NATAS-administered competition and the International Emmy® Awards – but not both. A production may only enter a single Emmy® Award competition.

If a submission that originally premiered outside the U.S. but was later distributed in the U.S. is deemed ineligible for the International Emmys® competition, at the sole determination of the International Academy, and the International Academy subsequently determines the material more appropriate for a U.S. competition, the entrant may petition for consideration in the relevant NATAS competition. Petitions will be evaluated on a case-by-case basis under NATAS rules and a review of the extent to which the content was intended for the U.S. market.

## CATEGORY AND/OR CONTEST SHOPPING

Once a program enters a specific genre category, it is prohibited from switching for the remainder of its run unless the program petitions contest administration to change categories, and the petition is thereafter accepted. Once a program enters a specific Emmy® Award contest (inclusive of the Primetime Emmy® Awards, International Emmy® Awards, and Regional Emmy® Awards administered by our sister academies and chapters), the program is bound to remain in that contest unless a petition is filed via email and thereafter accepted by contest administration. If a program switches contests, it may not switch back without further approval from contest administration.

## THEATRICAL RELEASES

Television programs that are offered for “general theatrical release” occurring prior to their airing or Internet exhibition are not eligible. Productions that have had a limited theatrical release before being telecast or made available via Digital distribution are eligible to enter NATAS Emmy® Award contests, provided:

1. The production was first telecast or made available via Digital distribution nationally during the eligibility period.
2. The broadcast or Digital premieres occurred within twelve (12) months of the first commercial theatrical screening, defined as a commercial screening of seven (7) consecutive days at a single theater, and
3. The aggregate number of commercial theatrical screenings did not exceed six hundred (600) theaters.

A program loses Emmy® eligibility twenty-four (24) months after its first theatrical screening of any kind, in any form of completion, whether such screening occurs commercially or at a film festival.

## INELIGIBILITY OF OSCAR® NOMINEES

The Emmy® Awards recognize excellence in programming created first and foremost for television platforms. Our rules reiterate this expectation through policies surrounding limited theatrical releases and a submission's eligible broadcast or Digital premiere.

**Programs that have received an Oscar® nomination from the Academy of Motion Picture Arts & Sciences (AMPAS) are ineligible for submission to any Emmy® award contest administered by NATAS.**

While appearance on the AMPAS viewing platform will not, on its own, be cause for disqualification from NATAS competitions in 2023, NATAS shares broader community concerns regarding theatrically-focused filmmakers seeking Emmy® recognition. Working in coordination with its sister organization the Television Academy, NATAS intends to publish in 2023 revised rules and policies impacting the 2024 competitions.

### VIRTUAL FILM FESTIVAL SCREENINGS

Due to the COVID-19 emergency, many documentary films screened online at virtual film festivals in 2022. Such screenings are nonetheless considered to be theatrical screenings, rather than Digital distributions, for the purpose of determining Emmy® eligibility in the 2022 competition year.

- a. A virtual film festival screening is not considered a Digital release, and a documentary film may not submit to an Emmy® competition solely on the basis of such a virtual film festival screening.
- b. A virtual film festival screening is not considered a Digital release, and is not used to determine whether a national telecast is within the one-year Digital-to-broadcast window within which it can be considered the "canonical airing."
- c. A virtual film festival screening is considered a film festival screening, and counts toward the twenty-four-month (24-month) window after which a program with any kind of theatrical release becomes ineligible.

## NON-ENGLISH LANGUAGE ENTRIES

Entries in a language other than English are eligible, but must include either an English-language voiceover or English subtitles. Entries for the Spanish-language categories may be submitted without subtitles or voiceover and will be judged by a panel of Spanish-language media professionals who are bilingual or Spanish language-proficient.

## INELIGIBLE PROGRAMMING

The following programming is not eligible:

1. Pornographic, violent, defamatory, or offensive material, except in the context of news coverage or the documentary treatment of a nonfiction subject.
2. Previously-aired programs, series, or related crafts which aired and met eligibility requirements during a previous award year or qualified for and submitted to another Emmy® Award competition, unless it qualifies via the Digital-delivery exception listed above.
3. Program-length commercials (infomercials or closed-circuit programs such as those from hotels, hospitals, movie theaters, arenas, stadiums, and other venue- specific locations) with targeted audiences.
4. Content from telethons, pledge breaks, and/or programs with a unique call to action aired for the specific purposes of raising money for political parties, charities, or other related causes. (Calls to action responding to current events within an otherwise regularly-scheduled program are permitted, however.)
5. Compilation reels, “clip shows,” or “best of...” programs that were edited from original content, except for programming eligible for the Sports Emmy® Awards.
6. No content produced or created for a regional or national Emmy® Awards show may be submitted to an Emmy® Awards contest. Related craft material is also ineligible.

## ENTRY SYSTEM

All media associated with an entry must be submitted via the respective competition's submission platform. All NATAS contests require videos to be uploaded in order to be vetted by contest administration for eligibility and then viewed by judges. Media submitted via email or other means will not be accepted.

Submission sites for the individual contests are as follows:

1. Children's & Family Emmy® Awards - <http://enter.theemmys.tv/>
2. Daytime Emmy® Awards - <https://daytime.theemmys.tv>
3. News & Documentary Emmy® Awards - <https://news.theemmys.tv>
4. Sports Emmy® Awards - <https://sports.theemmys.tv>

## CATEGORY VIABILITY

In the event that contest administration and the National Awards Committee deem a category non-viable due to the number of entries, NATAS may eliminate the category, merge the category with another similar category or split a category into two. If a category is canceled, affected entrants will receive a full refund. If a category is merged with another category, or split into two categories, entrants in each affected category shall be given the option to remain in the competition in the new category framework, or to withdraw from the competition and receive a full refund of associated entry fees.

## CATEGORY PLACEMENT

NATAS reserves the right to disqualify outright or move any entry to a different category or different competition if, in the judgment of NATAS Administration, such action is warranted. Entries will be rejected if no applicable category is found. Entrants will be notified when a rejection or category reassignment is made.

## PROFESSIONAL THIRD-PARTY SUBMITTERS

As the phrase is used in these Official Rules, “Third-Party Submitters” are entry-submitting individuals or entities who are not themselves engaged in the production or distribution of visual or audio-visual competition content, but rather, whose principal business purpose is instead the management, administration, facilitation, manipulation, or other processing of entry-submissions, typically for compensation, rendered on behalf of more than one (1) client network, producer, or other entrant.

As “Third-Party Submitters” are defined as having more than one client for whom they submit entries to this or other entertainment-industry competitions, individual seasonal employees and contractors working for a single submitting entrant in a single competition are therefore excluded from the definition of “Third-Party Submitter”. If there is any disagreement as to whether a particular person or entity is a “Third-Party Submitter” for NATAS purposes or purposes of any competition, the decision rendered by NATAS thereupon shall be final, determinative, and binding.

Third-Party Submitters essentially seek to act as “resellers” of access to the NATAS competition entry-system. Therefore, Third-Party Submitters are subject to additional requirements and restrictions determined by NATAS to be necessary in the best interests of the orderly administration of the competition. Additionally, NATAS reserves the right to supplement, alter, or otherwise amend these additional provisions at any time upon further posting to the NATAS website or other form of notification:

**Secondary Contact / Entrant Representative Required:** Regardless of the use of a Third-Party Submitter, the network, producer, or other entrant entering the competition must be clearly and accurately identified as the entrant and the rights-holder, and any failure to do so will automatically and summarily disqualify the corresponding entry. Third-Party Submitters must provide to NATAS, with any entry, via completion of the “Secondary Contact” field accompanying the submission of the entry-materials, the accurate full legal name and direct contact-information for the one (1) individual serving as the authorized representative (“Entrant Representative”) so designated by the entrant and rights-holder for purposes of the entry. The Entrant Representative must not be the Third-Party Submitter, or any of its employees, contractors, or agents. The Entrant Representative must then timely execute a modified Entry License supplied by NATAS which specifically authorizes the Third-Party Submitter to act on behalf of the entrant, and any Entrant Representative failure to timely do so will automatically and summarily disqualify the corresponding entry or entries. Please contact the Emmy competition administration to receive the modified Entry License.

**PROFESSIONAL THIRD-PARTY SUBMITTERS (CONTINUATION)**

**Suspension or Disqualification:** Third-Party Submitters are expected to carry out their work on behalf of their clients in a professional manner. NATAS bears no responsibility to any entrant or any other party, for the failures of any Third-Party Submitter acting or purporting to act on an entrant's behalf. If a Third-Party Submitter commits a significant number of errors in the context of a single competition, or commits a significant number of errors in the context of multiple competitions over time, in each case as determined by NATAS contest administration, the accumulation of those errors may result in a temporary or even permanent suspension of that Third-Party Submitter's access to the competition entry-system - pending an internal, non-public, and non-appealable NATAS administrative review, conducted and exercised in the sole and subjective discretion of NATAS. If a Third-Party Submitter's acts or omissions result in the disqualification of any entry, or if a Third-Party Submitter is suspended from entry-system access altogether, the entrant or entrants so affected may thereupon contact NATAS to seek an opportunity to resubmit the entry-material so affected, provided that all competition deadlines are nevertheless timely met regardless. NATAS bears no responsibility to any entrant or any other party, if any failure of a Third-Party Submitter leads to any failure of any entry to meet a competition deadline or otherwise be accepted for competition purposes.

**Fees and Penalties:** NATAS reserves the right, upon five (5) calendar days written notice to any Third- Party Submitter, and, if NATAS so elects, upon five (5) calendar days written notice to any entrant bearing any connection to the Third-Party Submitter, to assess further administrative fees as well as penalties as against the Third-Party Submitter and, in the sole discretion of NATAS, as against the entrant or entrants for whom the Third-Party Submitter purports to act, for corrections of Third-Party Submitter entries or other activities which have been mishandled by the Third-Party Submitter. Failure to timely pay those administrative fees and penalties may result, in the sole election of NATAS, in disqualification of the entry or entries to which those subject assessments may relate.

## “WYSIWYT” – WHAT YOU SEE IS WHAT YOU TYPED!

Entry information appears exactly as entered by the entrant who has typed it. The text is “picked-up” automatically by computer software protocols, and is not edited by NATAS before entry. Therefore, the entrant is solely and exclusively responsible for whatever text and other characters are typed and entered. There are no exceptions.

For example - odd capitalizations, misspellings, missing credits, typing all text in lowercase, or other formatting or spelling quirks will appear exactly as submitted in all official nomination and recipient documentation, all press releases, all invitations, all print programs, all ceremony graphics including those that may be telecast on-air, all statuette engravings, and everywhere else. Specifically, any entries typed in all-CAPS are not accepted - and in such cases, if still within deadline, the entrant will be asked to resubmit subject to all continuing entry deadlines.

**NATAS contest administration is NOT liable for errors in listings that are the result of incorrect information submitted on an entry form or otherwise.**

Be advised that there is only a very limited time-window of opportunity to make corrections following the nomination announcements, if such corrections are available at all in such cases. Once entries are submitted, and “closed for editing” as determined by NATAS, any further requested corrections should be e-mailed to NATAS contest administration.

It is understood that NATAS offers no assurances that any such corrections can or will be made in time relative to competition awards and announcements. Any requests for corrections conveyed by any method other than e-mail to the above-designated NATAS e-mail address, including without limitation via social media, will not be accepted under any circumstances.

## DEADLINES

**Deadlines are firm and essential to the timely adjudication of NATAS competitions.** In the case of an extenuating circumstance necessitating late entry, the entrant must make their request in writing to contest administration prior to the deadline.

## CEREMONY CLIP CLEARANCE

Each entrant will be required to identify a thirty-second (0:30) portion of the submitted visual or audio-visual material for potential inclusion in the Emmy® Award ceremony and related Internet distribution, should the entry result in a nomination. The identified clip must be free and clear of any and all encumbrances or other restrictions which could limit the ability of NATAS to include the clip in the program and its distribution, publicity, and promotion, including without limitation its use in NATAS digital program archives and related digital transmissions in perpetuity.

## CEREMONY CLIP CLEARANCE (CONTINUATION)

Each entrant must unqualifiedly affirm via the Entrant Clip License that all rights and clearances have been obtained and are thereby licensed to NATAS for these purposes, and that the entrant is in fact authorized to convey such rights. Organizations frequently submitting competition content may alternatively request to enter into a “master agreement” with NATAS that, when executed, may obviate the need for administering certain further individual entry licenses. Interested organizations should contact NATAS contest administration for referral to the NATAS General Counsel for this purpose.

**Any entrant failure to timely convey necessary rights and clearances prior to the date and time of the commencement of judging, may result in the disqualification of the corresponding entry, with or without additional written notice by NATAS.**

## SUBMISSION AFFIRMATION

Entrants will be required to confirm that submissions have not been entered in any other Emmy® Awards contests, whether entries are produced in whole or part with by a non-US based production company, and that all parties included in an entry submitted on their behalf have full knowledge of the entry, submission rules, and complete detail contained in the submission.

## ENTRANT TEAM MEMBERS (CREDITS)

**DO NOT** list the entire production cast and crew. List only those who are considered statue-eligible according to the eligible title-listing.

**Entrants of Record** are also responsible for ensuring each entrant is aware of and approves their respective entry submissions.

## ELIGIBILITY OF CREDITED TITLES

Individuals who pass away during the production process ARE statue eligible, as long as they are included on the submitted credit list. Deceased legacy individuals for source materials are not eligible.

Example: William Shakespeare is not eligible for programming based on his text.

## POST-NOMINATION PROCEDURES

If an entry is nominated, contest administration will reach out to the Entrant of Record to coordinate assets necessary for production and ticketing. It is the Entrant of Record's responsibility to communicate with their clients even after the entry process is complete. All follow-up, including any information on ceremonies, is done through the Entrant of Record.

## ACCEPTORS

Nominees will submit, via the Entrant of Record, the name of one (1) person per category who will serve as the acceptor.

## LATE CREDIT ADDITIONS

After the nomination announcements, changes may be made and submitted free of charge for a limited time period determined by each individual competition. After this deadline, a fee of US\$150 will be charged for each name added to the credits. This fee also applies to any changes made following the ceremonies.

Changes may only be reflected in certificates, statuettes, and other materials produced or published after full payment of relevant fees has been made. NATAS has no obligation to change or correct materials published prior to fee payment.

**Change requests received more than thirty (30) days after the corresponding ceremony will not be accepted under any circumstances.**

## PAYMENT

Payment by Credit Card or ACH Transfer is strongly preferred. Please contact the NATAS Finance Department at [finance-team@theemmys.tv](mailto:finance-team@theemmys.tv) to set up ACH Transfer.

If you must pay by check, an invoice can be generated for the entry. Please make the check payable to “The National Academy of Television Arts and Sciences” and include a printed hard copy of the invoice found on the entry dashboard. **Payment is due according to invoice terms.**

**Late payments not received by NATAS by the end of the judging period may result in disqualification, with or without additional written notice by NATAS.**

## DISCOUNT

For national contests, there is NO discount granted to members of NATAS or to members of the Television Academy.

## REFUNDS

Since entry fees offset administrative costs, no refunds are required to be granted, except in the case of elimination of a category.

## ENTRANT RESPONSIBILITY

In order to avoid disqualification, it is the entrant's responsibility to ensure that all rules are fully understood and followed, and that submissions are completed by each deadline date.

The entrant is also responsible for checking the source file audio/video quality before uploading and again once the submission is officially uploaded.

Refunds will not be issued for submissions resulting in disqualification.

If an entry is being submitted on behalf of another individual or entity, that party must have full knowledge of the entry, submission rules, and complete detail contained in the submissions.

Entrants are required to provide contact information for the submission's relevant rightsholder. Any misrepresentation of consent or failure to provide accurate rightsholder information is grounds for disqualification.

Any measures taken to circumvent the rules outlined herein, such as submitting placeholder documents or videos for required materials with the intention of replacing them with complete materials at a later date, or submitting false information to bolster eligibility, may result in disqualification of the entry with or without notice.

**The Entrant of Record becomes the point of contact for correspondence regarding required further materials, ticketing, and statuette orders in the event of a nomination and/or win. If you are a Show Shepherd, you are the point of contact for correspondence regarding further materials, ticketing, and statuette orders. It is your responsibility to forward all follow-up information to your clients.**

## CREDIT FALSIFICATION

Intentional falsification of credits may result in disqualification of the entire entry by contest administration. On-air credit packages created for the sole purpose of statue-eligibility will not be accepted.

## NO INTERNAL EDITING

A submitted excerpt must be a continuous, commercial-free segment. Editing out commercials between otherwise continuous programming segments does not constitute "internal editing."

## ERRORS AND OMISSIONS

NATAS only accepts timely competition submissions which are not in conflict with any of its rules and regulations. Ineligible entries may be disqualified by NATAS at any stage of a competition, with or without prior written notice to the submitters. NATAS assumes no responsibility for the acts or omissions of individuals or entities submitting entries.

## CREDITS

NATAS assumes no responsibility to arbitrate, mediate, adjudicate, resolve, or otherwise respond to any disputes or potential disputes between program producers, or between other persons or entities bearing or claiming to bear a connection to entered material. All individuals and entities electing to submit material, are solely responsible for their entries. Specifically, all individuals and entities electing to submit material, are well-advised to very carefully review submissions to assure themselves of the correctness and completeness of all names and credits, as well as the viability and full and proper documentation of all intellectual property rights and permissions. Failure to do so may render an entry ineligible.

Only those individuals listed on the final credit list will be eligible to obtain a statuette or other NATAS recognition upon determination of a winning entry, and not otherwise. NATAS will only accord a statuette or other NATAS recognition in the manner as may be identified in advance via the corresponding competition procedures. Specifically, any entrant's credited job title must exactly correspond to the as-written and as-aired/as-transmitted/as-telecast credits included in the entry material, per the following:

1. Existing Credit Package. If an on-air/as-transmitted/as-telecast credit-block or "credit package" exists, then, as confirmed by NATAS, that on-air credit-block or "credit package" is and shall remain the document of record regarding the determination of any credited job title.
2. Non-Existent Credit Package; Production Memo. If, in the determination of NATAS, no on-air/as-transmitted/as-telecast credit-block, "credit package", or other reliable credit list is made available with the entry or NATAS determines the supplied credit list is insufficient, then the entrant must submit the dispositive production memo for the submission as verification of credit and job title eligibility. If NATAS rejects a production memo as non-dispositive or no such memo exists, it is the entrant's sole responsibility to supply alternative acceptable proof of credits and job titles.

## CREDITS

3. Discrepancies. In those rare cases where there is a discrepancy between the as-aired/as-transmitted/as-telecast credits and the credited job title indicated on or within the entry materials, then it is the entrant's sole responsibility to contact NATAS contest administration requesting an adjudication and determination. NATAS has sole discretion whether to render any determination. NATAS accords no assurance to any entrant that any credit or job title discrepancy will be timely adjudicated or adjudicated at all. The entrant, and not NATAS, bears the sole responsibility of any unreconciled credits and job titles, and any loss of any competition opportunity resulting therefrom.

## MISREPRESENTATIONS

Any misrepresentation of entries will be cause for disqualification. Misrepresentations may include, but are not limited to misrepresenting programming as original work or the intentional falsification of credits, including intentional falsification of job titles or intentionally listing improper job titles. Should evidence of misrepresentation materialize at a later date, the entry may be disqualified retroactively. Such a retroactively-disqualified entry will be so-listed in NATAS records, and the return of any awarded statuettes or award certificates will be required.

**Violations of any other published rules and procedures herein may result in disqualification. Payment submitted with disqualified entries will not be returned.**

## DOUBLE-DIPPING

### ENTRY INTO SINGLE COMPETITION

**Entry into any singular NATAS contest precludes the entry of the same programming in any other Emmy® contest administered by the Television Academy, IATAS, or NATAS, including the Regional Emmy® Awards.**

For example, if an entrant enters a documentary in the Sports Emmy® Awards Long Documentary category, it may not be entered subsequently in the News & Documentary Emmy® Awards.

All submissions, whether to a craft or a program category, must be submitted to the same regional or national competition. Splitting entries for the same content between regional and national competitions is not allowed. Exceptions may be made in rare circumstances — for example, if a specific, unique craft category is only offered in one of two Emmy® Award contests, but the program or report meets eligibility requirements in both competitions. The entrant must contact NATAS Administration for prior approval of any such cross-contest entry.

**The same material, identical start-to-finish, is not permitted to represent an entire submission in both a series and a feature/segment category.**

If an entrant submits to a series or recurring programming category that allows the option of submitting a single episode to represent the entire series, that submitted episode may not then be submitted as- is to a feature or segment category. Likewise, an episode-length feature submitted in an individual segment category may not be submitted as the representative episode in a program category.

A feature or segment may be submitted to a feature or segment category and remain a component part of a broader program entry only if the segment represents less than fifty percent (50%) of the submitted episode's total runtime.

## INDIVIDUAL ELIGIBILITY FOR A SINGLE AWARD

An individual may only be recognized with an Emmy® Award for each specific role in a production once.

An individual that is eligible for an Emmy® Award for a specific role in more than one category shall be recognized in the category most specific to their craft or role.

For example, within the News & Documentary Emmy® competition, if a team member acts as a director on an Outstanding Breaking News entry, and submits the same content to the Outstanding Direction: News craft category, the individual may receive an Emmy® Award as a director in either category, but not both. If the programming is recognized with an Emmy® Award in both the Program and Directing categories, the director will be awarded a statuette in the Directing category only.

## INDIVIDUAL ELIGIBILITY FOR PROGRAM AWARDS

For program categories that allow submissions of excerpts from different episodes to be entered, such as The Sports Emmy® categories of Outstanding Studio Show Daily, Outstanding Documentary Series or Outstanding Hosted Edited Series, an individual, in order to be statue-eligible, must have worked and received credit on a minimum number of the total episodes of the show broadcast in the eligibility year. The minimum episode count required varies by competition and category and is specified in each competition's Call for Entries.

## EMERGENCY DISCLAIMER

NATAS reserves the right to modify competition or event rules, procedures, policies, and calendars in response to any public emergency, natural disaster, civil unrest, or act of war, or for any other reason, including, without limitation, the COVID-19 pandemic. Please read individual competition Calls for Entries and category descriptions for any temporary rule changes. Additional updates may be published during the contest year on the NATAS website and social media channels, or announced by email to registered entrants and "Show Shepherds."

## WHAT IS PEER JUDGING?

NATAS contests are judged category-by-category by a panel of experts in that particular field – for example, editors judge editing. Specific qualifications for judges per each individual contest are outlined in each contest’s rules. The success of the Emmy® Awards process depends on the willingness of qualified professionals to serve as judges.

## JUDGES ARE VOLUNTEERS

Judges for all NATAS Emmy® Award contests are volunteers. Judges do not receive any compensation for participation.

## JUDGING RESPONSIBILITIES

With a few exceptions, noted in each individual contest’s Call for Entries, judging is done entirely online. Judges must sign up to judge. Contest administration will verify credentials and eligibility of potential judges and assign approved judges to category panels based on their backgrounds and expertise. Judging requires watching embedded videos and then scoring all entries in their designated categories.

NATAS contests do NOT use a “check one” or ranked system of judging. The window for judging is several weeks. Judges evaluate each entry on its individual merits and judges are permitted to give the same score to multiple entries. Each category has a minimum percentage per entry that judges are required to view prior to being permitted to submit a score. After an entry in the category is viewed by at least the minimum amount, the judge’s ballot will open up and become available for scoring. Each entry is judged individually on its own merits based on each judge’s individual perception of excellence.

All judging criteria and procedures, including scoring scale, minimum scores required for nomination, and tie-breaking procedures, are determined by the National Awards Committee.

In order to maintain fair, consistent peer judging without influence, judges must not disclose how they voted. If they ignore or abuse this privilege, their ballot will be disqualified and/or their judging status revoked.

## JUDGING RESPONSIBILITIES

Judges are asked to respond to an optional series of demographic survey questions. If a judge declines to participate, that fact is kept confidential and has no impact on the judge's potential role as an Emmy® judge or otherwise, in any manner whatsoever. Demographic information is not associated with ballot results in any way. Accordingly, survey data is representative of the full population of registered judges, and not of the subset of judges from whom completed ballots are received. All information is gathered consistent with [NATAS's Key Principles For Collecting Personal Data](#).

If a judge chose to participate, that judge may further choose to make their responses available to NATAS to facilitate equitable representation on specific judging panels, or the judge may elect for their responses to be kept anonymous and used only for aggregate analysis. On average, in 2021, 14% of participating judges requested to limit their responses to such anonymous, aggregate use.

NATAS encourages all networks, platforms, production companies and other content creators, whose employees make up the majority of the judging pool, to focus on increased diversity in their companies and on their sets and to encourage participation in the Emmy judging process. To this end, NATAS will share anonymized survey data with organizations represented by significant numbers of judges so that such companies may better understand the current diversity of their submitted judges and work with NATAS toward increased representation in future cycles.

More broadly, NATAS proactively pursues dialogue and solutions with individual company Diversity Officers and Employee Resource Groups (ERGs), industry executives, and allied trade associations and community organizations to further promote diversity within our television industry as a whole.

## JUDGING METHODOLOGY

### 1. SCORING SCALE

Submissions in NATAS contests are scored on a scale of 1 to 7, with 7 being the highest possible score and 1 being the lowest possible score.

### 2. NOMINEE COUNT

In each category, there is a default target of one (1) winner and five (5) nominees. In any category where the tabulated scores result in such a clearly-defined winner and collection of nominees, one (1) winner and five (5) nominees will be so-certified. The target nominee count for a category may be reduced or increased, at the direction of the National Awards Committee, in proportion to the number of entries in the category as it relates to the competition average.

### 3. MINIMUM VIABILITY FOR NOMINATION

In general, submissions must have an average judge-assigned score of 4.0 ("Good – Worthy of a Nomination") or greater to qualify for nomination. No submission shall be eligible for nomination if the average judges' score is less than 3.0 ("Average – Potentially Worthy of a Nomination"). Submissions with average scores between 3.0 and 4.0 may be nominated at the discretion of the National Awards Committee.

### 4. TIEBREAKING

Ties for the win will be broken, if possible, by comparing the high scores for each tied entry (the number of 7's and 6's received by each tied entry). In cases where ties cannot be broken by this method, there may be multiple winning entries in a given category.

Ties for nomination, not affecting the win, will not be broken and all tied entries will instead be nominated if the resulting number of nominations will remain within the maximum number of allowable nominations. The maximum number of nominations is seven (7) by default, but may be reduced or increased, at the direction of the National Awards Committee, in proportion to the number of entries in the category as it relates to the competition average.

Ties for nomination that would result in a number of nominees in excess of the maximum nomination number will be broken using the methodology applied to ties for the win.

## 5. NATURAL CUTOFFS

When a statistically significant distinction appears in the distribution of tabulated scores such that, in the consideration of the National Awards Committee, that distinction presents a more appropriate method for nominee selection, the Committee may, at its option, employ that method.

## 6. JUDGING IMPROPRIETY

Judging scores and behavioral patterns are monitored via algorithms for potential outliers that may indicate improper behavior such as coordination, bias, or manipulation. Ballots identified by the algorithms are investigated by the competition auditor, who then determines whether to refer the matter to the National Awards Committee for further investigation and/or adjudication. All matters determined to be instances of judging impropriety requiring Committee action are subsequently disclosed in the Transparency report.

## 7. ANONYMITY

All determinations by the National Awards Committee regarding target and maximum nominee counts, nomination viability, natural cutoffs, and judging impropriety are conducted entirely on the basis of anonymized scores provided by the auditor. At no time are Committee members provided names of submissions, judges, or any other identifying information which could impact their decision. Except where necessary, the affected category is not even disclosed. Some identifying information may be disclosed to the Committee and Administrative staff for further investigation and corrective purposes after the conclusion of the competition and associated ceremony only.

## JUDGING RECRUITMENT

Competition judges must receive no remuneration, compensation, or other consideration for their efforts as judges.

Neither any entity nor any individual may offer any compensation of any kind to anyone for signing-up to be a competition judge – be it via payment, or by way of offering to provide access to parties, other events, or other benefits.

Organizations submitting competition entries may elect, and are indeed encouraged, to recruit people from inside their respective organizations to serve as judges (“internal recruiting”).

However, any use of “coordinated recruitment” or “recruiting programs” of the nature below-described, shall be deemed strictly prohibited unless approved in advance by NATAS on a case-by-case basis in the manner as follows:

- (A). Any proposed hosting of an event with invitees from outside the submitting organization for the express purpose of recruiting judges; or
- (B). Any proposed distribution of any materials to more than fifty (50) persons outside the submitting organization with the express purpose of recruiting judges; must in either case first be reported to NATAS contest administration in writing and in advance of the proposed initiative. The proposed initiative must not be taken unless approved in writing and in advance by NATAS in each case, which NATAS may elect to render, or not, in its sole discretion.

Additionally, on their judging applications, all proposed judges must fully disclose as a potential conflict-of-interest any and all relationships that they may have to any “recruiting program” or “coordinated recruitment”, other than the aforementioned permitted internal recruiting conducted by the corresponding entrant organization itself. Any failure by either the entrant or the judge to fully disclose to NATAS all activities of coordinated recruitment and all recruiting programs, is grounds for disqualification of the judge’s ballot, and disqualification of the competition entry or entries corresponding to the coordinated recruitment or recruiting program and the entrant, each in the sole discretion of NATAS.

## “FOR YOUR CONSIDERATION”

As the nominees and recipients are decided in the same round of judging via scores, all so-called “For Your Consideration” campaigns are of limited, if any, usefulness surrounding NATAS competitions and are discouraged.

## PRELIMINARY VERSUS BLUE RIBBON

The result in most categories is determined by a single “Blue Ribbon” round of judging that decides both the nominees and the recipient (or recipients) in the category. There is no additional round of judging after nominations are announced in which winners are chosen.

Where a category receives a large number of entries, resulting in screening sessions that would exceed what is deemed a reasonable viewing length for a single judging round, it will undergo a Preliminary Judging Round. Depending each year upon the number of entries per category, various categories in various contests will be routed through such a Preliminary Judging Round, whereby the number of entries are narrowed down prior to commencement of the “Blue Ribbon” round.

**Categories with a high proportion of self-published entries, such as those distributed on user-generated video-sharing platforms, may also be routed to a Preliminary Judging Round at the discretion of contest administrators.**

The results of a Preliminary Judging Round are merely procedural; they are not publicly announced, and are not considered “nominations,” “prenominations,” or any other formal recognition.

## BALLOT CONFIDENTIALITY

All judges for NATAS contests are expressly forbidden from disclosing, to anyone, what entries they judged, their opinion of materials viewed, or the scores they assigned. This prohibition applies, without limitation, to any communications with colleagues, friends, family members, other judges, other submitters, the press, on Social Media, or elsewhere. Violations of this policy may result in disqualification of the ballot and/or judge, and potential disqualification of associated submissions.

## CHALLENGES AND/OR INAPPROPRIATE SITUATIONS

The fair adjudication of all NATAS competitions is of foremost importance. Any individual or organization that has observed potential impropriety or inappropriate behavior by any entrant, judge, administration staff, or others in the course of the competition, or that has any concerns about a submission, judging, or other awards procedures or processes, is encouraged to report the matter immediately to NATAS by sending an email to [reports@theemmys.tv](mailto:reports@theemmys.tv).

All substantive reports will be thoroughly and quickly investigated. The identity of the reporting party shall be kept confidential.

## RESULTS CONFIDENTIALITY

From the time of the nomination announcement until the winners are announced at the respective live ceremonies, the identities of award recipients in judged categories are known only by an independent accounting firm, unless exceptional production accommodations are made for prerecorded presentations or emergency situations. Any such exceptions must be pre-approved in writing by the chairs of NATAS and the National Awards Committee and shall be disclosed during the ceremony itself.

Lifetime Achievement Emmy® Award honorees, scholarship recipients, and juried category awardees are known to contest administration and announced prior to the ceremony.

## POST-NOMINATION PROCEDURES

If an entry is nominated, contest administration will reach out to the Entrant of Record to coordinate assets necessary for production and ticketing. **It is the Entrant of Record's responsibility to communicate with clients even after the entry process is complete. All follow-up, including any information on ceremonies, is done through the Entrant of Record.**

## WHO RECEIVES A STATUETTE?

Each winning entry receives **one (1)** gratis statuette. All individuals with an Emmy® statue-eligible credit that is vetted by NATAS Administration will be able to order a Recipient statuette. One name may be engraved per statuette. **The name approved in credits is the name that will be engraved on the statuette.**

**The Entrant of Record will receive an email from [awards@theemmys.tv](mailto:awards@theemmys.tv) with information about logging into the online ordering system.**

**Statuette eligibility is limited to individuals — networks or other corporate entities are not eligible for Recipient statuettes.** Statuette orders take, on average, three (3) to four (4) weeks to process once the order is received.

## BAND ENGRAVING

Standard format for all statuettes is as follows:

COMPETITION NAME  
CATEGORY NAME  
PROGRAM TITLE  
SEGMENT (IF APPLICABLE)  
NETWORK  
FIRST NAME LAST NAME, POSITION

## COMMEMORATIVE EMMY® STATUETTES

Commemorative statuettes are available for a network, studio, or production company that was principally involved with the winning program or achievement, as determined by NATAS.

The studio or production company name may be included on the engraving.

The word “commemorative” is engraved at the rear of the statuette. Commemorative statuettes cannot be issued to individuals.

## CEREMONY STATUETTE BAND ENGRAVINGS

Following each award ceremony, NATAS will reach out to the designated entry contacts and individuals who signed for presented statuettes to collect the band engraving information for the gratis ceremony statuette. The statuette may either be engraved with a Recipient's name and position, for no fee, or as a Commemorative engraving (for Network, Studio or Production Company lobby display) for a \$455 fee. If no instructions are provided by the end of the thirty (30) day "late credit addition" grace period following the award ceremony, then, by default, the first name that appears alphabetically in the Winner's Press Release (whether it be an Executive Producer or an Associate Producer, etc.) will be selected for the engraving and shipped to the designated entry contact. Any requested changes after receipt of that engraving will incur a replacement fee of \$25 plus sales tax and shipping & handling charges.

**Emmy® Awards are presented to individuals, not their employers, even if an employer pays entry or statuette fees. Ownership of each Emmy® Award statuette is retained by the National Academy of Television Arts & Sciences, Inc.**

## RULES FOR THE PROTECTION OF THE EMMY® STATUETTE

1. The Emmy® statuette is the property of and all rights are reserved by the Television Academy and the National Academy of Television Arts & Sciences ("Academies").
2. The Emmy® statuette may not be reproduced or used in any commercial manner unless otherwise permitted by the Academies, it being understood that possession of the statuette is solely for the benefit of the recipient and the recipient's heirs or other successors-in-interest.
3. If a recipient or the recipient's heir or successor in interest proposes to sell, auction, or otherwise dispose of an Emmy® statuette, such persons shall be obligated to return the statuette to the Academy from which received, which will retain the same in storage in memory of the recipient.

## NOMINATION CERTIFICATES

Nomination certificates are available only to individuals designated as Emmy nominees. Certificates are available for ordering, along with upgraded product offerings, on the same ordering website where recipients order statuettes.

## CONTRIBUTOR CERTIFICATES OR PLAQUES

Contributor certificates or plaques are available for all individuals who contributed to nominated or winning projects who are otherwise ineligible for the Emmy® Award statuette. NATAS will review titles and verify eligibility with the entry contacts for each request received. This is not an Emmy® Award. Only production personnel are eligible. Subjects of documentary films or news reports are not eligible. Production/Contributor plaques and certificates can not be upgraded toward statuettes.

## PROMOTION

1. **Honorees.** Emmy honorees or those congratulating them may at any time refer in advertising and publicity to the fact that the honoree has received an Emmy award and may for one (1) year after an award is made, use a replica of the statuette in advertising and publicity subject to the requirements set forth at <https://theemmys.tv/trademarks>.
2. **Nominees.** Emmy nominees or those congratulating them may refer in advertising and publicity to the fact that the nominee has been nominated and, provided that such nominees are clearly identified as such, may during the period from the announcement of nominations until the awards presentation use a replica of the statuette in advertising and publicity subject to the requirements set forth at <https://theemmys.tv/trademarks>.
3. Whenever the statuette is used it should appear facing left and must be accompanied by ® at its base (denoting trademark protection). The word “Emmy” is also trademarked and whenever possible its use should appear as follows: “Emmy®”.
4. After the one (1) year period, recipients may use language promoting their status as an Emmy® Award recipient in perpetuity, so long as such references do not include use of the statuette image.
5. For more information and more detailed policies, visit our website: <https://theemmys.tv/trademarks>.

**CONTRIBUTOR PLAQUE/CERTIFICATE**

In the event of an Emmy® win, individuals who worked on the project, but are not statue-eligible, can order a Contributor Plaque or Certificate when their contribution is verified by a senior producer or craft lead.
