**NATIONAL ACADEMY OF TELEVISION ARTS & SCIENCES (NATAS) ANNOUNCE
2024 DAYTIME EMMY® NOMINATIONS**

**“The 51st Annual Daytime Emmy® Awards” To Be Broadcast
Friday, June 7 On CBS**

NEW YORK/LOS ANGELES (APRIL 19, 2024) – The National Academy of Television Arts & Sciences (NATAS) today announced the nominees for the 51st Annual Daytime Emmy® Awards. The Daytime Emmy® Awards telecast will be presented live on Friday, June 7, at 8 PM EDT / delayed PT, on the CBS Television Network, and available to stream live and on-demand on Paramount+*. The Daytime Creative Arts & Lifestyle Emmy® Awards will be presented on Saturday, June 8, and streamed on The Emmys® apps and at [watch.TheEmmys.tv](https://www.cbs.com/shows/the-emmys/). The ceremonies will take place at the Westin Bonaventure Los Angeles.

“We are happy to once again honor the creative talent both in front of and behind the camera of America’s favorite Daytime programs,” said Adam Sharp, President & CEO, NATAS. “We look forward to celebrating the icons who enliven the days of audiences across the country.”

“Producing the Daytime Emmys is a labor of love for all of us at NATAS,” said Brent Stanton, Head of Daytime, NATAS. “The huge popularity of these shows continues to be must-see viewing for their fans.”

The Lifetime Achievement Honorees, Hosts, Presenters, and Silver and Gold Circle honorees will be announced at a later date. The press release with full credits information will be available on Monday, April 29, following the one week gratis credit change window. The category split will also be announced on that date. Ticket sales will begin Wednesday, May 1.

The June 7th telecast will mark the 18th time CBS has broadcast the Daytime Emmys®, more than any other network. The Daytime Creative Arts and Lifestyle Emmy® ceremony will stream live at 9 PM ET/6 PM PT on Saturday, June 8, at watch.TheEmmys.tv and via The Emmys® apps for iOS, tvOS, Android, FireTV, and Roku (full list at apps.TheEmmys.tv).

All awards are judged by a pool of more than 1,000 peer professionals from across the television industry, whose confidential ballots were then tabulated by the independent accounting firm of Lutz & Carr, LLP.

The Daytime Emmy® Awards have recognized outstanding achievement in television programming and crafts since 1974, honoring work in a variety of categories, including daytime dramas, talk shows, instructional programming, hosting, culinary, and legal/courtroom programs. In 2021, NATAS and the Television Academy jointly announced plans to realign the Daytime and Primetime Emmy Awards to be organized by content genre, as opposed to program airtime.

The 51st Annual Daytime Emmy® Awards is produced by NATAS and Associated Television International (ATI), which produced Daytime Emmy Award ceremonies on The CW in 2009 and on CBS in 2010, 2011, 2020, 2021, 2022 and 2023. Adam Sharp and Lisa Armstrong are executive producers from NATAS, while David McKenzie is executive producer from ATI.

About The National Academy of Television Arts & Sciences

The National Academy of Television Arts & Sciences (NATAS) is a service organization dedicated to the advancement of the arts and sciences of television and the promotion of creative leadership for artistic, educational and technical achievements within the television industry. It recognizes excellence in television with the coveted Emmy Awards for News & Documentary, Sports, Daytime, and Children’s & Family programming, as well as achievements in television Technology & Engineering. NATAS membership consists of more than 18,000 broadcast and media professionals represented in 19 regional chapters across the country. Beyond awards, NATAS has extensive educational programs including regional student television and its Student Award for Excellence and the National Student Production Awards for outstanding journalistic work by high school students, as well as scholarships, publications and major activities for both industry professionals and the viewing public.

*Paramount+ Premium subscribers will have access to stream live via the live feed of their local CBS affiliate on the service as well as on-demand. Essential-tier subscribers will have access on-demand the day after the special airs.
