

TECH CHILDREN'S & FAMILY SPORTS

2027

5TH ANNUAL
CHILDREN'S & FAMILY EMMY® AWARDS

CALL FOR ENTRIES

CAFE has made substantial changes this year in response to industry changes. Please see below for What's New.

NEW / IMPORTANT - If you have someone with a variation of an eligible credit, e.g. a Co-Executive Producer instead of an Executive Producer, email administration at childrens@theemmys.tv to get the title added to the dropdown. Same for if you have merged credits, e.g. Supervising Sound Editor / Sound Mixer. Note that merged credits are only for when both credits are independently eligible within the same category. Not on List petitions are meant for wholesale independent credits.

MEMBERS-ONLY JUDGING

As announced last year, judging for CAFE has moved to a members-only model. Judges who are members of either NATAS, the Television Academy, or dual members will automatically be approved to judge. Members must be at the National Active Member level by the date the competition opens for judging. Members in applicable categories will be assigned, at the discretion of competition administrators, to the appropriate category or categories, as outlined in our judging guidelines (see below). Judges in non-applicable Peer Groups may be assigned to a program category or categories.

For categories in which NATAS is unable to field a viable panel solely with member judges — and only in these categories — administrators will also consider judges from the following groups, in order of priority: (1) prior Emmy Award winners, (2) prior Emmy Award nominees, and (3) those who otherwise meet the published membership criteria for their respective Peer Group but have elected not to join at this time.

On a go-forward basis, NATAS will consider the availability of member-judges in the ongoing viability evaluation of competition categories, and may eliminate those categories for which full panels of member-judges are consistently unobtainable.

SUBMISSION-BASED NOMINATION COUNTS

NATAS has instituted the following submissions-based nomination counts policy across all competitions:

1. Any category of fewer than 10 submissions is automatically reviewed for potential merger or elimination.
 - In the Daytime competition, the Outstanding Daytime Drama Series category, and its associated Writing and Directing categories, have been pre-approved to proceed with fewer than 10 submissions.
 - Categories with 3 or fewer submissions have no nominations. At its discretion, the National Awards Committee may nevertheless proceed with an award in these categories based on a standard of excellence, if the category is not otherwise merged or eliminated.

DEADLINES: Entry - August 6 | Late Entry - August 20 | Payment - August 27

[By-Category Index](#)

[How To Pay](#)

2. In categories with 4 to 10 submissions, the default number of nominations is 50% of the number of submissions in the category, rounded up to the nearest whole number, unless a more natural cutoff or a minimum viability limitation applies.
3. Thereafter, the default number of nominations in a category is as follows:
 - 10 - 29 submissions: 5 nominations
 - 30 - 59 submissions: 6 nominations
 - 60 - 89 submissions: 7 nominations
 - 90 - 119 submissions: 8 nominations
 - 120 -149 submissions: 9 nominations
 - 150 or more submissions: 10 nominations
4. Ties.
 - In the case of a two-way tie for the final nomination, which would increase the nomination total beyond the default number, the National Awards Committee, at its discretion, may either: (i) allow the tie to stand and increase the number of nominations by one, or (ii) adopt a natural cutoff that avoids the tie and thereby reduces the number of nominations.

CREDITS VERIFICATION PROCESS

Continuing the policy instituted NATAS-wide last year, CAFE will now further streamline the credits vetting process by requiring additional information upfront within the entries themselves. Entrants will be required to submit within Orthicon itself credits verification proof in the following acceptable formats:

FORMAT A: FOR EPISODE-SPECIFIC ENTRIES

This applies to any entry in which the credited individuals are only for the submitted episode/ project.

- Option A - Screenshot of the credits roll of the submitted episode featuring the credited individuals' names - if more than one person is eligible, multiples screenshots condensed into a single PDF file WITH ELIGIBLE NAMES HIGHLIGHTED, is acceptance -OR-
- Option B - Crew call sheet of the submitted episode featuring all credited individuals' names highlighted - names MUST be highlighted -OR-

DEADLINES: Entry - August 6 | Late Entry - August 20 | Payment - August 27

[By-Category Index](#)

[How To Pay](#)

- Option C - ONLY IN CASES WHERE THE FIRST OR SECOND OPTION DO NOT EXIST - a signed letter from an Executive Producer validating the individual's credit. An EP letter will only be accepted if Option A AND Option B do not exist. If they exist but list the individual with a different ineligible credit, that does not count as the documentation not existing.
- Option D - ONLY IN CASES WHERE THE FIRST OR SECOND OPTION DO NOT SHOW THE APPROPRIATE CREDIT - a "non-traditional" crew call sheet (such as an email, a Zoom meeting, etc) indicating the approved credit AND a signed letter from the Executive Producer validating the approved credit.

FORMAT B: FOR TEAM-SPECIFIC ENTRIES

This applies to any entry where the full team is being awarded - Program categories where a Series is being submitted, plus VFX, Casting, and Multi-Platform Experience.

- A or B are the same as above but all MUST ALSO include C (signed letter from the Executive Producer) validating each submitted team member reached the 19% requirement. Please merge A or B with C into a SINGLE PDF and upload it into the Credits Verification slot.

FORMAT C: FOR PERFORMER CATEGORIES

This applies to any acting, voice acting, puppetry, and personality categories.

Your credit is already validated by your video. Therefore, within the Credits Verification field, please upload a PDF that spells out the pronunciation of the performer's names and all characters they are playing.

ADDENDUM: NOT ON LIST PETITIONS AS PART OF CREDITS VERIFICATION

In addition to either Format A or Format B, IF you are choosing to petition Not on List credits for eligibility consideration, you must also attach the petition documentation to your Credits Verification now. Merge the petition with any other documentation and upload it to the Credits Verification field. The petition should include a description of the individual's job responsibilities and why they should be allowed to be eligible. Not on List petitions MUST be made at time of entry!

EMAIL ADDRESS REQUIREMENT

Each individual entrant requires a UNIQUE EMAIL ADDRESS associated with it, e.g. not a show shepherd or awards consultant. It can be a manager/agent/PR rep, provided that email is only associated with that specific content. These addresses are ONLY used in the event of a nomination and/or win as our ordering system requires a unique email for each record. Entry of Records are still the de facto contacts for follow-up, ticketing, etc.

DEADLINES: Entry - August 6 | Late Entry - August 20 | Payment - August 27

NEW CATEGORY**CHILDREN'S INTERACTIVE EXPERIENCE**

This is a revised version of a previously existing similar category. This category is now a craft category recognizing creative excellence in media content that enhances and/or provides a second-screen experience for a CAFE-eligible program. A second-screen experience doesn't need to be traditional picture-in-picture but instead extends to ancillary viewing. Content entered in this category must have the same or similar creative team as the original program. Examples include interactive games on websites and/or apps and video podcasts. Games designed for console-only and/or experiences with calls to action and/or in-experience purchases are not allowed.

Stand-alone linear narrative content that is interactive in nature is now eligible in the pre-existing Program categories, such as Outstanding Animated Special.

MERGED CATEGORIES

All categories formerly separated by Single Cam and Multi Cam have now been merged into single categories with Tracking. Tracking will guarantee the minority filming style will get nominations proportionate to their number of submissions within the category. In keeping with NATAS rules surrounding Tracking, if a Track gets fewer than 10.1% of entries, they will not receive any nominations unless in the top scores organically. Additionally, what were formerly three different areas - Cinematography, Technical Direction, and Lighting Design - have now been merged into a single category awarding all three crafts.

As much, the following are now categories Tracked by filming style:

Directing for a Children's or Young Teen Live Action Series
Cinematography, Lighting and Technical Arts for a Children's Program
Editing for a Children's Live Action Program
Art Direction/Set Decoration/Scenic Design for a Children's Live Action Program

REMOVED CATEGORIES

The following categories have been removed:

Multiple Character Voice Performance in a Preschool Program
Multiple Character Voice Performance in a Children's or Young Teen Program
Choreography

Multiple Character Voice Performers are eligible to enter the generic Voice Performer categories (which are now no longer separated by number of character voices). Choreographers are eligible to enter the Primetime Emmys under special agreement with the Television Academy regarding contest switching only when the relevant craft isn't offered in the native competition.

DEADLINES: Entry - August 6 | Late Entry - August 20 | Payment - August 27

WRITING ELIGIBILITY

In the Live Action Writing categories, a writing-eligible producer title and/or an Executive Story Editor and/or Story Editor title will be accepted only via a written petition FROM THE SHOWRUNNER outlining the individual's writing responsibilities and presence within the writers' room. Petitions must be included AT TIME OF ENTRY.

STATUETTE ORDERING

NEW/IMPORTANT: Ordering may be facilitated in bulk by the Entrant of Record OR by individually. If ordering in bulk, it is the Entrant of Record's responsibility to inform individuals of the policy prior to the ceremony date. NATAS will no longer issue refunds to individuals who purchase a statuette and later learn that a network, studio, or employer intends to purchase one on their behalf. Any reimbursement must be coordinated directly with the purchasing organization.[]

SERIES SUBMISSIONS FORMAT

For any Program category where you are submitting a SERIES (Categories 1, 2, possibly 4, 5, 6, possibly 8 and possibly 9 only), you must TWO EPISODES. Each episode is defined as "A" or "B" of a two pod airing for animation. The two episodes must be submitted separately as Video 1 and Video 2 within the same entry. For categories 4, 8, 9, these accept both Series and Specials. Video 2 is marked as non-mandatory so that Series have access to the Video 2 field but Specials may enter only Video 1.

NEW / IMPORTANT For shows with "A" and "B" pods, each linear episode sounds as TWO EPISODES for purposes of Program categories / 19%.

DEADLINES: Entry - August 6 | Late Entry - August 20 | Payment - August 27

[By-Category Index](#)

[How To Pay](#)

Associate Producers are now eligible in all Program categories.

A Performer can enter both live acting and voice acting for the same role if the show is in a hybrid format. This is not considered a double dip as live acting and voice acting are considered separate skills. The same exists for live acting and puppetry.

With the creation of the Interactive Experience craft category, any standalone narrative interactive program is instead eligible within the main stem Program categories and ancillary crafts.

There is an overall contest maximum total runtime of 60 minutes. If your project exceeds 60 minutes overall, you are eligible to submit by creating a reel of up to 3 segments totaling no more than 60 minutes total.

If your animated program is comprised of an "A" and a "B" pod, either "A" or "B" counts as the full episode in all instances. There is no longer an exception for cases where "A" and "B" have the same creative team.

Public Service Initiative remains a Juried category but this is no longer an Emmy Award with any individual eligibility attached to it. The winner in this category would receive a Commemorative to the producing entity.

A Special is defined as a single original program, which is not part of a Series, and is broadcast in one or two parts (as long as To Be Continued... appears at the end of part one). A "special" episode of a series may be entered separately as a stand-alone special, but only if it reaches a minimum of two of the three below parameters:

1. Different air/stream time than the rest of the season
2. Different length and/or format from the rest of the season
3. Majority different creative team from the rest of the season

THERE ARE TWO TELEVISION ACADEMIES

The LA-based Television Academy administers the Primetime Emmys. The NY-based National Academy of Television Arts and Sciences (NATAS) administers the Daytime Emmys, the Sports Emmys, the News & Documentary Emmys, the Technology & Engineering Emmys, and now the Children's & Family Emmys.

WHAT ARE THE CHILDREN'S & FAMILY EMMY AWARDS (CAFE)?

As of 2022, the Children's & Family Emmy Awards (CAFE) are a standalone competition, with all previous children's live-action and animated categories separated from the Daytime Emmys. CAFE content specifically honors programming for audiences ages infancy through 15 years of age, eligible regardless of daypart, platform, or whether it's professionally or self-produced, and provided it was made available for the first time in the United States within the eligibility window. All categories are open to all broadcast networks and all streaming platforms. Content for viewers older than the age of 15, including animation, may be eligible for the Primetime Emmy Awards.

HOW ARE THE CHILDREN'S & FAMILY EMMYS DIFFERENT FROM THE DAYTIME EMMYS?

The Children's & Family Emmy Awards is comprised of categories that formerly appeared as part of the Daytime Emmys along with additional categories that have been created to appropriately manage the exponential growth within the children's entertainment sector. Children's programming, including animation, is no longer permitted to enter the Daytime Emmys. Programming that was eligible for a children's category within the Daytime Emmys formerly is automatically qualified for the Children's & Family Emmys unless there has been a substantive change to the content. Animation designed for adult and teen audiences age 16 and older is eligible within the Primetime Emmys.

HOW ARE THE CHILDREN'S & FAMILY EMMYS DIFFERENT FROM THE PRIMETIME EMMYS?

As of the 2021 Daytime contest launch, the Daytime, Primetime, and Children's & Family contests are delineated by genre.

The Emmy statuettes across competitions are IDENTICAL. They are produced at the same manufacturer to the same specifications. All national Emmys (Primetime, Daytime, Children's & Family, Sports, News & Documentary) count towards an "EGOT."

In keeping with the NATAS tradition also employed by the Daytime Emmys, Sports Emmys, News & Documentary Emmys, and Regional Emmys, the Children's & Family Emmys use a peer judging process (see Judging section). At the outset of the contest, all submissions are accompanied by viewing/evaluation materials such as video and accompanying essays. Judges evaluate entries in their field of expertise and grade all entries in a given category.

DEADLINES: Entry - August 6 | Late Entry - August 20 | Payment - August 27

[By-Category Index](#)

WHAT CONTENT CAN BE ENTERED?

The Children's & Family Emmys are not daypart-mandated in any category. For all categories, content must be designed for viewers **ages infancy to 15 years old** and originally aired or made available for viewing in the United States for the first time between the dates of **June 1, 2025 to May 31, 2026**. CAFE does not recognize the concept of "seasons," e.g. all content released during that eligibility window is eligible.

All platforms and broadcast networks, including self-published, are eligible to enter all categories.

WHAT QUALIFIES CONTENT FOR THE CHILDREN'S & FAMILY EMMYS?

Content must be designed for viewers ages infancy to 15 years old. Content that reaches the majority of the following metrics is automatically qualified to the Children's & Family Emmys:

- Rated TV-Y or Y7
- Rated G
- Rated PG and on a network/platform known for children's programming
- Featured primarily children or pre-teen characters
- Source material is for an audience ages infancy to 15 years old
- Advertised/referenced intended age of audience
- Formerly entered the same programming in the children's track of the Daytime Emmys

If the content is unrated, TV-PG and on an unknown network/platform, or TV-14, it must undergo an eligibility review by the Eligibility Panel (see below for more details).

If the content is rated R or TV-MA, it is not eligible in the Children's & Family Emmys but may be eligible for the Primetime Emmys.

DEADLINES: Entry - August 6 | Late Entry - August 20 | Payment - August 27

WHERE DO I ENTER THE CHILDREN'S & FAMILY EMMYS?

"Orthicon" is the official entry and judging system for the Children's Emmys:

<https://enter.theemmys.tv>

Registration information will carry over from year to year, and a single profile enables individuals to enter, judge, and access multiple contests. Submitters should update their information when logging in for the first time each contest cycle. The Orthicon system is separate from the Television Academy membership portal, but the same username/password works for both.

All materials must be completed and the submission paid for in order for it to be vetted for judging.

WHAT IS THE ELIGIBILITY WINDOW FOR THE CHILDREN'S & FAMILY EMMYS?

Daytime eligibility is by calendar year, whereby the material is aired or streamed FOR THE FIRST TIME to at least 50% of US households between the dates of June 1, 2025 to May 31, 2026. Eligibility is determined by the first method of transmission - the first time it is aired/streamed AND the first format of that airing/streaming.

WHAT IS THE STRUCTURE OF THE CHILDREN'S & FAMILY EMMYS?

As of the 2026 contest, the Daytime Emmys is structured very similarly to the Primetime Emmys whereby the majority of categories are episode-based, meaning:

In all CRAFT CATEGORIES - except as highlighted below - the submission is a complete episode (or episodes) and only the craftspeople/craftspeople who worked on that episode are eligible.

Programs are therefore eligible to enter more than once in craft categories, including if the individual craftspeople are the same. Programs and individuals are eligible to receive multiple nominations within the same category.

Except as highlighted below, all categories accept full episode submissions only and NOT clip reels.

ELIGIBILITY PANEL

An eligibility panel review is only necessary if the content requires being reviewed by both CAFE and Primetime.

If:

- Unrated, TV-PG and on an unknown network/platform, or TV-14
- The content formerly entered the Young Adult category at the Daytime Emmys
- The content is for young teen viewers ages 11-15
- The content is a reboot or spin-off of a pre-existing property that entered a different Emmys competition
- The entrant is petitioning to switch content from Primetime to Children's & Family or vice versa
- The entrant is appealing an administrative decision made regarding contest placement

We strongly recommend a petition to the Eligibility Panel to obtain an official ruling on which contest your material is eligible in. **Eligibility is determined by administration and the Eligibility Panel, NOT the entrant.** To petition, email eligibility@theemmys.tv with a link of up to 6 episodes and state the reason for your petition. Please do NOT include a cover letter beyond the basics as material designed to sway the panel will not be distributed or taken into consideration.

To keep in mind when you are petitioning – programs are designated to specific contests and can only switch due to either a substantial change in the nature of the contest or a substantial change to the nature of the material. If a contest has automatically switched your eligibility (e.g. you used to enter Children's in Primetime), you do not need to petition.

Staff of either Academy can unilaterally refer material to the Eligibility Panel without a petition. Material submitted for an Eligibility Panel review MUST be able to be viewed by panelists for at least 10 calendar days.

Petitions must be made by an Executive Producer or network/platform representative for the content in question.

IMPORTANT: The Eligibility Panel is specifically to address eligibility issues regarding the two separate contests of CAFE versus Primetime. If you have a question about what category your content qualifies for, that can be handled internally via the CAFE administration team at childrens@theemmys.tv

PRESCHOOL CONTENT

Preschool content, both animated and live-action, is content specifically designed for viewers from infancy to five years of age.

CHILDREN'S & FAMILY VIEWING CONTENT

Children's and family content, both animated and live action, is content specifically designed for viewers ages six to 11 years of age, or programming principally designed for a young audience within that age range that addresses topics and themes that encourage viewing and discussion by children and parents/guardians together.

YOUNG TEEN CONTENT

The Young Adult categories formerly with the Daytime Emmys have been moved over to the Children's & Family Emmys but have been realigned to incorporate only content for viewers ages 11-15. Content that is for older teens, features excessive sex, nudity, foul language, graphic violence, drug use, gore, and/or is rated TV-MA/R is not eligible in the Children's & Family Emmys and should inquire about entering the Primetime Emmys. If your content formerly entered the Young Adult category in the Daytime Emmys and features one or more of the characteristics above, it should undergo an Eligibility Panel review.

EPISODE DEFINITION

For CAFE animation, if your program is comprised of approximately 22 minute episodes with an "A" story followed by a credits scroll, then a "B" story followed by a credits scroll, the episode submission is EITHER "A" or "B," but not both.

CATEGORY SWITCHING

With respect to the unique nature of demographic age within the context of the Children's & Family Emmys, administration has the right to approve a Program category change as it relates to aging of characters (e.g. moving from Children's & Family Series to Young Teen Series) without National Awards Committee approval. Additionally, administration has the right to send formerly Children's & Family content to Primetime without National Awards Committee approval if the programming features an extensive overhaul that now includes adult themes.

The Program category dictates the eligibility in the down the line crafts. Administration retains the right to switch entries entered into the incorrect craft categories.

Additionally, CAFE honors self-submission so individuals may self-submit even if a producer has submitted the Program itself or in other associated categories. However, self-submitters must have permission from the network/platform to submit the footage both in its entirety for judging and the Ceremony Clip for usage in the ceremonies.

DEADLINES: Entry - August 6 | Late Entry - August 20 | Payment - August 27

ACTING CATEGORIES

The Children's & Family Emmys features a full slate of non-gendered acting and voice performance categories. Eligibility is determined by number of roles performed, screen time, and age. The show and the performer must be in agreement as to where the performance is being entered. Younger performers, defined as performers who are **ages 18 or under at any point within the current eligibility window**, may enter the Younger Performer category OR a Lead or Supporting category but not both. Age is NOT determined by when the program was filmed, only by when it aired.

SUBMISSION TOTAL RUNTIME

The overall submission runtime is a MAXIMUM of 60 minutes. Programming that is longer than that should be cut down via creating a clip reel of no more than 3 segments that totals no more than 60 minutes. Additionally, other categories may have shorter runtimes (e.g. short form and any category requiring a clip reel). All entries may contain no internal enhancements, meaning no introduction of elements not seen by the viewing audience such as music to make it more sizzle reel style.

SERIES VERSUS SPECIAL

A Series is defined as a program comprising three or more parts or episodes. A Special is defined as a single original program, which is not part of a Series, and is broadcast in one or two parts (as long as To Be Continued... appears at the end of part one). A "special" episode of a series may be entered separately as a stand-alone special, but only if it reaches a minimum of two of the three below parameters:

4. Different air/stream time than the rest of the season
5. Different length and/or format from the rest of the season
6. Majority different creative team from the rest of the season

Category titles with "Series" only accept Series, category titles with "Special" only accept Specials, and category titles with "Show" or "Program" accept both Series and Specials.

Standalone narrative programs that contain interactive/VR elements are eligible within the tentpole program categories as-is.

PERCENTAGE ELIGIBILITY - GENRE

Animated Programs contain a predominance of animated content - clarified as $\frac{2}{3}$ animated content. Otherwise they may be asked to switch to Live Action. The inverse is also true.

INDIVIDUAL ELIGIBILITY EXCEPTIONS

After a successful pilot program last year in the Writing and Directing categories, CAFE is moving to a “1:1 Primetime model” for most categories, meaning that the submission consists of a singular episode and only the individual(s) working on that specific episode with an eligible title are considered eligible. Subsequently, programs may also enter categories more than once for different episodes. Exceptions to this rule - and therefore categories that are continuing with their previous standards for submission - are:

- Program categories - these are for the full season
- Public Service Initiative - campaign-specific
- Acting/Voice Acting/Personality categories - these are already single-eligible entrant only, and “best of” reels will remain the standard for submission
- Original Song - a reel consisting of just the song will remain the standard for submission
- Interactive Experience - a virtual tour that may be created specifically for the Emmys with a total runtime of no more than 3 minutes
- Visual Effects - a reel consisting of just the visual effects and before/after elements will remain the standard for submission
- Casting - a reel consisting of newly cast talent for the eligibility window will remain the standard for submission
- Stunt Coordination - a reel consisting of just the stunts will remain the standard for submission
- Individual Achievement in Animation (all disciplines) - submission of artwork along with supplemental video will remain the standard for submission

TRACKING

In certain categories where entry count does not yet support splitting into separate categories but multiple types of content are eligible, Tracking will be utilized. Tracking divides entries into a specific Track and then guarantees each Track receives nominations in said category proportional to the total number of entries within that category. For example, if a category is Tracked by Multi Cam v. Single Cam and there are 50 total entries of which 10 are Multi Cam, Multi Cam is guaranteed 1/5th of the total nominations within the category, regardless of whether a Multi Cam program would have qualified under traditional scoring. Tracking is still subject to minimum viability rules. Tracking utilizes rounding UP to the nearest 20%, whereby 11% or more total entries entitles the Track to a single nomination, etc. If a genre gets fewer than 11% of entries within a category, they are only eligible to receive a nomination if they qualify as one of the five highest scores using traditional scoring.

MUSIC LICENSING

All entries within Music Categories of NATAS-administered Emmy® competitions will be required to provide additional information regarding the rights associated with music contained in the respective submissions. NATAS will thereupon issue to nominees one or more (as appropriate) additional licensing agreements with respect to the entry-contained music, for both the composition and the sound recording. "Music Categories" for these purposes include Song, Music Composition, and Choreography categories, as well as any and all areas in which submitter-identified Ceremony Clips include music likely subject to copyright. Clips that include music may only be included in the ceremony (whether televised or distributed on the NATAS OTT platforms) when each NATAS-issued music license is fully-executed and properly-executed prior to the ceremony to the satisfaction of NATAS. Any failure or refusal to execute the NATAS-issued music licenses will result in either, at the sole determination of NATAS: (i) the removal of the music from the Ceremony Clip by edit, and/or (ii) the replacement of the music within the clip with alternate music chosen by NATAS, or else (ii) the exclusion of the clip from the ceremony.

SAME PERFORMER, DIFFERENT MEDIUM

Performers who play or voice the same role on multiple shows can only enter once for the same role, e.g. Elmo on Sesame Street and Elmo on a Sesame Street short can only enter once, although the performer has the option to include material from both shows on the same reel. However, if a performer plays the character on a live action show and then voices the same character on an animated version, this is considered two different crafts and therefore the performer is eligible for two different entries, e.g. playing Kermit on The Muppets versus voicing Kermit on Muppet Babies.

NEW If a performer does BOTH the live action and the animated voice of a character in a hybrid setting, these are considered different art forms. The performer is eligible to enter both a live action acting category (with a reel containing only live action content) AND a voice acting category (with a reel containing only voice acting content) for the same program. This is not a double dip. The same applies for live acting and puppetry.

CAMERA STYLE

For Programs employing both single camera and multiple camera styles, the submitter must select ONE style and the program is then "locked into" that style for all relevant crafts - e.g. a Program may NOT submit into Single Camera Directing and Multiple Camera Editing utilizing different episodes.

Furthermore, multiple camera-style can be more clearly defined as "employing a proscenium-like shooting area. Whether or not a live audience is present, the cameras are on the side of the fourth wall." Single camera-style can be more clearly defined as "shooting in one direction and then shooting in the complementary direction."

YOUNGER PERFORMER ELIGIBILITY

Younger Performer eligibility is based on the Program's eligibility. If the Program itself is not eligible in CAFE, a Younger Performer cannot enter even if they reach the age limit. For example, younger performers on "Abbott Elementary" are not eligible in CAFE because "Abbott Elementary" itself is eligible in Primetime.

NOMINATIONS ANNOUNCEMENT

Nominations for NATAS contests are revealed in TWO separate announcements. The initial announcement, on the date publicized as the nominations announcement date, will feature a "bare bones" press release listing the nominated shows and their respective networks as well as individual names in the Performer categories only. The full press release listing the eligible entrant names, now officially nominees, will be released a week later. This gap accommodates administration and Awards Committee review of petitions. Late Credit Additions are only allowed through two weeks after the full press release is published.

SLATES

Unless the rules of your specific category require a slate, do not slate your entries. Slates in craft categories that list names in it, unless required by the category rules, are justification for disqualification. NATAS judging is an anonymous process and revelation of which craftspeople are associated with a specific entry is expressly prohibited. Additionally, entrants often slate an episode with the category title and then apply the same video to multiple categories, therefore making the slate incompatible in several categories. This confuses the judges. Slates are not required or recommended except where stated in the by-category rules, adding unnecessary runtime onto submissions in which there may be time limitations and undue editing effort on the part of the submitter. Slates are only required by rules in categories where they are deemed essential to the process of judging - e.g. to identify the person(s) that are being judged.

NON-ENGLISH LANGUAGE ENTRIES

Any non-English language content, including Spanish and any other non-English language, that is eligible for CAFE via a vis genre and having at least one US-based co-producer may enter the category/categories it best sees fit provided the material can be uploaded with English subtitles.

CREDITS VERIFICATION PROCESS

Continuing the policy instituted NATAS-wide last year, CAFE will now further streamline the credits vetting process by requiring additional information upfront within the entries themselves. Entrants will be required to submit within Orthicon itself credits verification proof in the following acceptable formats:

FORMAT A: FOR EPISODE-SPECIFIC ENTRIES

This applies to any entry in which the credited individuals are only for the submitted episode/project.

- Option A - Screenshot of the credits roll of the submitted episode featuring the credited individuals' names - if more than one person is eligible, multiples screenshots condensed into a single PDF file WITH ELIGIBLE NAMES HIGHLIGHTED, is acceptance -OR-
- Option B - Crew call sheet of the submitted episode featuring all credited individuals' names highlighted - names MUST be highlighted -OR-
- Option C - ONLY IN CASES WHERE THE FIRST OR SECOND OPTION DO NOT EXIST - a signed letter from an Executive Producer validating the individual's credit. An EP letter will only be accepted if Option A AND Option B do not exist. If they exist but list the individual with a different ineligible credit, that does not count as the documentation not existing.
- Option D - ONLY IN CASES WHERE THE FIRST OR SECOND OPTION DO NOT SHOW THE APPROPRIATE CREDIT - a "non-traditional" crew call sheet (such as an email, a Zoom meeting, etc) indicating the approved credit AND a signed letter from the Executive Producer validating the approved credit.

FORMAT B: FOR TEAM-SPECIFIC ENTRIES

This applies to any entry where the full team is being awarded - Program categories were a Series is being submitted, plus VFX, Casting, and Multi-Platform Experience.

- A or B are the same as above but ALL should include C (signed letter from the Executive Producer) validating they reached the 19% requirement. Please merge A or B with C into a SINGLE PDF and upload it into the Credits Verification slot.

FORMAT C: FOR PERFORMER CATEGORIES

This applies to any acting, voice acting, puppetry, and personality categories.

Your credit is already validated by your video. Therefore, within the Credits Verification field, please upload a PDF that spells out the pronunciation of the performer's names and all characters they are playing.

DEADLINES: Entry - August 6 | Late Entry - August 20 | Payment - August 27

ADDENDUM: NOT ON LIST PETITIONS AS PART OF CREDITS VERIFICATION

In addition to either Format A or Format B, IF you are choosing to petition Not on List credits for eligibility consideration, you must also attach the petition documentation to your Credits Verification now. Merge the petition with any other documentation and upload it to the Credits Verification field. The petition should include a description of the individual's job responsibilities and why they should be allowed to be eligible. Not on List petitions MUST be made at time of entry!

EMAIL ADDRESS REQUIREMENT

Each individual entrant requires a UNIQUE EMAIL ADDRESS associated with it, e.g. not a show shepherd or awards consultant. It can be a manager/agent/PR rep, provided that email is only associated with that specific content. These addresses are ONLY used in the event of a nomination and/or win as our ordering system requires a unique email for each record. Entry of Records are still the de facto contacts for follow-up, ticketing, etc.

SUBMISSION-BASED NOMINATION COUNTS

5. Any category of fewer than 10 submissions is automatically reviewed for potential merger or elimination.
 - In the Daytime competition, the Outstanding Daytime Drama Series category, and its associated Writing and Directing categories, have been pre-approved to proceed with fewer than 10 submissions.
 - Categories with 3 or fewer submissions have no nominations. At its discretion, the National Awards Committee may nevertheless proceed with an award in these categories based on a standard of excellence, if the category is not otherwise merged or eliminated.
6. In categories with 4 to 10 submissions, the default number of nominations is 50% of the number of submissions in the category, rounded up to the nearest whole number, unless a more natural cutoff or a minimum viability limitation applies.
7. Thereafter, the default number of nominations in a category is as follows:
 - 10 - 29 submissions: 5 nominations
 - 30 - 59 submissions: 6 nominations
 - 60 - 89 submissions: 7 nominations
 - 90 - 119 submissions: 8 nominations
 - 120 -149 submissions: 9 nominations
 - 150 or more submissions: 10 nominations

DEADLINES: Entry - August 6 | Late Entry - August 20 | Payment - August 27

8. Ties.

- In the case of a two-way tie for the final nomination, which would increase the nomination total beyond the default number, the National Awards Committee, at its discretion, may either: (i) allow the tie to stand and increase the number of nominations by one, or (ii) adopt a natural cutoff that avoids the tie and thereby reduces the number of nominations.
- In the case of a tie of more than two submissions for the final nomination, the National Awards Committee, at its discretion, must either: (i) break the tie, using its standard procedures, to reduce the tie to a two-way tie or single nomination, or (ii) adopt a natural cutoff that avoids the tie and thereby reduces the number of nominations.

NOMINEE PRESS RELEASE FORMAT

The nominees will be released in two separate releases:

General Nominations - on the nominations announcement date, the press release will not include individual nominee names except in the Performer categories

Full Release with Credits - following the credits review process, in which administration follows up regarding any submitted credits where verification has not been approved, the full release with nominee names will be released.

LATE CREDIT ADDITIONS

Following the Full Release with Credits, there is a five business day window for gratis changes in which additions, subtractions, or title changes can be made in Orthicon for free. The Late Credit Addition window is NOT meant for wholesale revision of credits.

NATAS WILL ALLOW FOR UP TO 25 NAMES TO BE ADDED OR CREDITED ROLES TO BE CHANGED during the 5-day correction window at no additional charge. Any additions over that, up to a strict limit of 250 names, will incur processing fees as follows:

- 25-50: \$50/name or credited role
- 51-100: \$100/name or credited role
- 101-250: \$150/name or credited role

NATAS staff will be actively reviewing credits during the submission process with the intention of identifying questions or concerns prior to the entry deadline. This is intended to expedite the producer-proof process and limit any potential processing fees. ADDITIONS OR CHANGES REQUESTED AFTER THE 5-BUSINESS DAY GRATIS PERIOD, up until the start of the ceremony, will carry an additional processing fee of \$250 per correction for the first 10 changes, then \$400 per correction, up to a limit of 25.

PRODUCT ORDERING

NATAS does not charge per name per entry. Each entry is a flat fee based on the category type and deadline type. A single, gratis statuette per category is awarded at the ceremony. It will already be engraved with a pre-determined individual's name. Following the ceremony, NATAS will reach out to those listed on the credits of winning entries so they may purchase their own Emmy statuette, plaque, or certificate.

Nominees will also have the opportunity to purchase plaques and certificates that celebrate their achievements. For production personnel and contributors who are not statue-eligible, submitters may reach out to NATAS about purchasing non-winner and non-nominee items to recognize those important contributions as well.

NEW/IMPORTANT: Ordering may be facilitated in bulk by the Entrant of Record OR by individually. If ordering in bulk, it is the Entrant of Record's responsibility to inform individuals of the policy prior to the ceremony date. NATAS does NOT refund individuals who placed orders erroneously.

CEREMONY FORMAT AND TICKETING

Date/time(s), venue location(s), ticket pricing structure, and any applicable ticket quotas, are communicated directly to nominees. The Entrant of Record is in charge of their nominated entries and therefore in charge of any ticket quotas offered to them.

ENTRANT CONTACT

The name and email address and for the Entrant Contact is required for each submission. This Entrant becomes the Entrant of Record and is the administration's de facto point of contact for any follow up information, including (but not limited to) production needs, ticketing, and approval of late credit additions.

IMPORTANT: For Third-Party Submitters, this MUST include a Secondary Contact that is a direct line of communication with the Program. Failure to provide this is grounds for disqualification as Third-Party Submitters do not legally have the authority to give the Daytime Emmys the rights to utilize video footage from each specific entry.

NEW/IMPORTANT: For any Late Credit Additions requiring payment of late fees, entrants will be required to submit the name and direct email address for the individual in finance responsible for paying the invoice. Third-Party Submitters may not be listed as a finance contact.

TRACK

In categories where administration has deemed entries fall under an “apples and oranges” spectrum but there are not currently enough entries to warrant creation of separate categories, Tracks have been created. Tracks are a separation by any specific parameter (e.g. age demographic, filming style, etc.). Tracked categories guarantee that the MINORITY TRACK receives nominations in proportion to its number of entries compared to the overall number of entries within the category. For example, if the Multi-Cam Track has 5 entries within a category with 25 total entries, Multi-Cam is entitled to one nomination ($\frac{1}{5}$ of total entries, or one out of five nominations) even if the highest-score Multi-Cam entry does not qualify for a nomination under traditional rules of average, still subject to score viability.

PROGRAM NAME

Entrants should use the dropdown to see if their Program name already exists in the database based on previous entry. Do not add another Program with the same name. Only if your Program does not exist should you add it.

EPISODE TITLE

The majority of CAFE categories are now episode-specific. Therefore most submissions require the episode title to be filled in. Please do NOT put quotation marks or list the episode title in tandem with the Program title (e.g. I Love Lucy: Job Switching).

LOGO

The Program logo is NOT MANDATORY. Once a Program Logo has been uploaded, it is affiliated with that Program and nobody else may upload a logo for it. If your logo has changed or been updated, contact administration to have the record updated.

DISTRIBUTOR

The distributor is the entity responsible for public distribution of the content. A distributor can be a network or streaming platform.

PRODUCING ENTITY

This field is meant to credit the entity responsible for the creation of the work, not merely where it can be seen by the public. The primary producing entity may be a network, a division of a network, or a production company. Programming launched via a video-on-demand platform should not be credited to the hosting platform unless it actively contributed to the creation of the content. For programming distributed via syndication, credit should be given to the syndicator. Typically, the primary producing entity will also be the copyright holder of the content being submitted.

PRODUCTION COMPANIES

Each entry for a specific Program may or may not have the same Production Companies affiliated with it, so it's necessary to fill in the information separately for each entry, and each Production Company must be added separately (e.g. NOT Disney/ABC on the same line).

Only Production Companies listed on an entry at time of entry are eligible to order a Commemorative Emmy in the event of a win. Commemoratives are limited to one per network, one per producing entity, and one per production company, and are made out to the company with the intention of lobby or office display.

The Essay (formerly known as the “Contextual Brief”) is NOT required, but it is a recommended part of the entry process. The Essay gives the judges the opportunity to learn more about the entry and what they should be looking for when evaluating the material.

Surveys with judges regularly show that judges do read and engage with the Contextual Briefs. This is the best way to put some finesse on your entry!

DOs:

- DO write about your entertainment, motivational, instructional, informational, and/or educational goals and research
- DO write about production and creative techniques used
- DO write about challenges that were met
- DO write about any impact the content had after airing
- DO use timecode to point out specific portions of the video you would like to draw the judges’ attention to (e.g. “At 2:10, you will see this specific technique used”)
- DO remember that your content is being judged by a jury of peers - any insight and context that cannot be readily seen can help
- For any Non-Fiction Writing entries: DO highlight what aspects were pre-written/pre-scripted versus improvised
- DO proofread and spell check

DON'Ts:

- DON'T go over the 200 word limit
- DON'T have typos and grammatical errors
- DON'T submit promotional materials (e.g. winner or nominated for other awards, critical quotes)
- DON'T mention or list individual entrants’ names (e.g. listing the individual writers on a writing entry) - these will be removed by administration if they are included

TAB THREE - VIDEO AND AUDIO

- Submission Video - more detailed information below
- Ceremony Clip - GUIDE below
- Episode References - GUIDE below

Every single submission requires a video upload. Refer to the By-Category listing for specific requirements, such as full episode, clip reel or multiple videos.

Some categories require composite/reel videos and some categories require full episodes or multiple full episodes. DO NOT include bars and tones, DELETE commercials and other interstitials and pull blacks down to 2-3 seconds. For composite reels, we allow clips from any episodes within the calendar year. You will be asked to list the airdates of ALL episodes using in your reel. Composite reels must NOT be sizzle reels.

The same video file can be uploaded across categories provided they have the same video requirements. Where the same video file is used for multiple categories, the file is uploaded once and assigned to the appropriate categories. Entrants can accomplish this by adding the video to your account's media library and then applying that video to the entry as necessary.

It is the responsibility of the entrant to ensure that all videos uploaded are correctly formatted.

The licensing agreement (see more information below) required upon entry gives NATAS the rights to use your submission video for two express purposes:

1. The video in its entirety on the password-protected judging platform, for the limited timeframe outlined by the judging calendar
2. A Ceremony Clip to be used in perpetuity for livestreamed and/or telecast awards ceremonies

The Ceremony Clip is thirty seconds (0:30) drawn **FROM YOUR SUBMISSION VIDEO** that will be used by production in the event of a nomination. According to the rules of NATAS Emmy contests the Ceremony Clip **MUST** be a segment of the work that has been judged by the judging panel and not from an external episode. Entrants are providing Time Into Video and Time Out of Video (not uploading a separate clip) whereby you are listing the point in your submission video where you'd like your Ceremony Clip to begin and the time where you'd like your clip to end and the time should be no longer than thirty seconds (0:30) total. Entrants are also listing Audio In Cue and Audio Out Cue whereby you are listing the corresponding onscreen dialogue or action taking place during the selected timecodes. This acts as a confirmation that production is using the correct clip. BOTH formats of logging this information (timecode and audio cue) are requirements for entry.

The identified clip must be free and clear of any and all encumbrances which could limit the ability of NATAS to include the clip in the program and its distribution, publicity, and promotion, including without limitation digital program archives, in perpetuity.

NOTE: If you are entering a category that has the option to upload a second episode, your Ceremony Clip will come from the FIRST video (default video).

Entrants are required to choose Ceremony Clips for ALL entries during the entry window itself. Entrants may **ONLY** change their Ceremony Clip selection after point of submission if so permitted by a Master License Agreement with NATAS.

DOs:

- DO use the first frame of video in your submission as your "zero" point - even if it's a slate - to identify the point in terms of minutes and seconds from that "zero" point where the 30 second section begins
- DO identify timecode in the format of H:MM:SS
- DO guarantee the clip is licensed and cleared by appropriate parties for usage in the program, distribution, publicity, promotion and archives in perpetuity
- DO use the "Audio In and Out" textbox to indicate audio cues that exist within the 30 seconds you've chosen (e.g. "Door slams" or a specific line of dialogue)
- DO think about which clip shows off the work being awarded in that particular category (e.g. if entry is for Editing, choosing a clip that shows off the work of the editing team as opposed to one sweeping shot)

DON'Ts:

- DON'T identify a portion of the clip that contains otherwise copyrighted material, e.g. songs, logos, clips from other media (e.g. "Girl on Fire" playing in the background - this clip will not be approved for production as NATAS does not have the in perpetuity rights to Alicia Keys's "Girl on Fire")
- DON'T use a Time Into Video to list the total run time of the entry
- DON'T use a Time Into Video that lists 00:00 as the starting point unless you want the first 30 seconds of your submission used
- DON'T upload another video file for the Ceremony Clip. You are indicating the timecode points of your existing video submission where the Ceremony Clip should begin and end and our production team is pulling the content.
- DON'T select a clip that has a black hole for a clip reel entry or segments where there is not approximately 30 continuous seconds of material
- DON'T write the timecodes into the "Audio In" and "Audio Out" fields - these fields are designated for you to type what is being said or happening on screen during the :30 seconds.
- DON'T select the same Ceremony Clip for multiple categories. If you have (according to the rules) submitted the same program or video submission in more than one category, consider a 30 second clip that highlights costumes in an Costume Design/Styling category, for example. If you earn more than one nomination it is best to see various parts of the submission video at the ceremony to best represent your work.

Each entry requires a listing of ALL air dates and episode numbers included in your submission video. This is for administration to properly vet the eligibility of your submission.

IMPORTANT: If a program has episodes that aired/streamed outside of the calendar year and administration cannot verify which episodes(s) have been submitted or are featured on a reel, the entry may be disqualified.

DOs:

- DO list all episodes contained within the submission - this may be one episode if it's a single episode category, or it may be multiple episodes if it's a clip reel category
- DO list the ORIGINAL airdate/stream date for each episode used within the submission
- DO use the Episode References field in the entry form to list this information even if you include it slated within a reel. It is a required field in the entry form.
- DO use the "+" field in the form to add additional references if you have more than one episode contained within your submission video

DON'Ts:

- DON'T list the full season of episodes - this is strictly to identify episodes used within your submission
- DON'T list episodes more than once - if the same episode is used multiple times, it only needs to be listed once
- DON'T list timecodes - the Daytime Emmys no longer require reels to be identified by timecode
- DON'T write "TBD" or a single airdate for all if the episodes were aired or streamed on separate dates.
- DON'T write "Clip Reel" for the Episode References. We are looking for the airdates of the material contained WITHIN the clip reel.

GUIDE TO ELIGIBLE CREDITS (ENTRANT TEAM MEMBERS)

Each category description includes the rules for eligibility within that category. ALL individuals who qualify based on titles and percentage of episodes worked on must be included. Any Daytime categories that are team awards (e.g. Program, Drama Writing, Drama Directing, Casting, Main Title and Graphic Design) are without limitation on the number of statuette-eligible individuals.

Inclusion of individuals with not-on-list titles is available via petition only. To petition for an individual with a not-on-list title to be included, within Orthicon, select Not on List, and submit their name, title and percentage of episodes (if required for the category). If the entry is nominated and the administration team has questions about their eligibility, they will reach out to the entrant directly for an official petition including a summary of the individual's responsibilities. ALL not-on-list titles are subject to review by administration and the National Awards Committee and are not guaranteed.

IMPORTANT: Not-on-list individuals MUST be submitted at time of entries. Petitions will not be allowed after the nominations. Late Credit Additions will be allowed, following the parameters below, but only for individuals with on-list credits.

It is of paramount importance that the credits be correct within each entry, including (but not limited to):

- Spelling
- Title
- Making sure every eligible individual is included

DEADLINES: Entry - August 6 | Late Entry - August 20 | Payment - August 27

Continuing the policy instituted NATAS-wide last year, CAFE will now further streamline the credits vetting process by requiring additional information upfront within the entries themselves. Entrants will be required to submit within Orthicon itself credits verification proof in the following acceptable formats:

FORMAT A: FOR EPISODE-SPECIFIC ENTRIES

This applies to any entry in which the credited individuals are only for the submitted episode/project.

- Option A - Screenshot of the credits roll of the submitted episode featuring the credited individuals' names - if more than one person is eligible, multiples screenshots condensed into a single PDF file WITH ELIGIBLE NAMES HIGHLIGHTED, is acceptance -OR-
- Option B - Crew call sheet of the submitted episode featuring all credited individuals' names highlighted - names MUST be highlighted -OR-
- Option C - ONLY IN CASES WHERE THE FIRST OR SECOND OPTION DO NOT EXIST - a signed letter from an Executive Producer validating the individual's credit. An EP letter will only be accepted if Option A AND Option B do not exist. If they exist but list the individual with a different ineligible credit, that does not count as the documentation not existing.
- Option D - ONLY IN CASES WHERE THE FIRST OR SECOND OPTION DO NOT SHOW THE APPROPRIATE CREDIT - a "non-traditional" crew call sheet (such as an email, a Zoom meeting, etc) indicating the approved credit AND a signed letter from the Executive Producer validating the approved credit.

FORMAT B: FOR TEAM-SPECIFIC ENTRIES

This applies to any entry where the full team is being awarded - Program categories were a Series is being submitted, plus VFX, Casting, and Multi-Platform Experience.

- A or B are the same as above but ALL should include C (signed letter from the Executive Producer) validating they reached the 19% requirement. Please merge A or B with C into a SINGLE PDF and upload it into the Credits Verification slot.

FORMAT C: FOR PERFORMER CATEGORIES

This applies to any acting, voice acting, puppetry, and personality categories.

Your credit is already validated by your video. Therefore, within the Credits Verification field, please upload a PDF that spells out the pronunciation of the performer's names and all characters they are playing.

ADDENDUM: NOT ON LIST PETITIONS AS PART OF CREDITS VERIFICATION

Merge the petition with any other documentation and upload it to the Credits Verification field. The petition should include a description of the individual's job responsibilities and why they should be allowed to be eligible. Not on List petitions MUST be made at time of entry!

Each entrant must unqualifiedly affirm via the Entrant Clip License that all rights and clearances have been obtained and are thereby licensed to NATAS for these purposes, and that the entrant is in fact authorized to convey such rights. Organizations frequently submitting competition content may alternatively request to enter into a “master agreement” with NATAS that, when executed, may obviate the need for administering certain further individual entry licenses. Interested organizations should contact NATAS contest administration for referral to the NATAS General Counsel for this purpose.

Third-Party Submitters are required to list a Secondary Contact (their name, email address, and phone number) who is legally authorized to license the rights to NATAS for the express purposes of:

1. The video in its entirety on the password-protected judging platform, for the limited timeframe outlined by the judging calendar
2. A Ceremony Clip to be used in perpetuity for livestreamed and/or telecast awards ceremonies

LICENSING AGREEMENT - MUSIC CATEGORIES

For categories identified as Music Categories, which for the Daytime Emmys are Music Direction and Composition and Main Title, nominees will be REQUIRED to provide complete publishing information and sign an additional NATAS-issued licensing agreement allowing NATAS to use the music featured in the Ceremony Clip(s). The information will be distributed to nominees only. Failure to provide adequate information AND proper contact information for a legally authorized signer will result in a different clip being selected or replacement of the music with rights-cleared music at NATAS’s discretion. NATAS does not accept third-party license agreements or negotiate clearances for materials submitted for awards consideration.

MASTER AGREEMENT

A program or network/platform may alternately obtain a Master Agreement with NATAS, the terms of which override the click-through that appears at the end of each entry. Unless otherwise specified, Master Agreements are self-renewing annually. Interested parties should reach out directly to Daytime administration.

The Children's & Family Emmys utilizes a peer judging system, whereby qualified judges are placed on panels related to their areas of expertise, watch all of the entries within those categories, and then give them a score on a scale of 7 to 1. The nominees and winners are determined by average score within the single round of judging. In circumstances where there are too many submissions to properly adjudicate a single round of judging, administration may also hold a Preliminary Judging Round.

JUDGING SIGN UP

Info to come.

MEMBERS-ONLY JUDGING

As announced last year, judging for the Children's & Family Emmys has moved to a members-only model. Judges who are members of either NATAS, the Television Academy, or dual members will automatically be approved to judge. Members must be at the National Active Member level by the date the competition opens for judging. Members in applicable categories will be assigned, at the discretion of competition administrators, to the appropriate category or categories, as outlined in our judging guidelines (see below). Judges in non-applicable categories (e.g., a judge in the Visual Effects Peer Group when Daytime does not have a Visual Effects category) may be assigned to a program category or categories.

For categories in which NATAS is unable to field a viable panel solely with member judges — and only in these categories — administrators will also consider judges from the following groups, in order of priority: (1) prior Emmy Award winners, (2) prior Emmy Award nominees, and (3) those who otherwise meet the published membership criteria for their respective Peer Group but have elected not to join at this time.

On a go-forward basis, NATAS will consider the availability of member-judges in the ongoing viability evaluation of competition categories, and may eliminate those categories for which full panels of member-judges are consistently unobtainable.

CONFLICTS OF INTEREST

Judges are required to disclose ALL programming they are currently working on or have worked on within the past two (2) years. Judges are not permitted to judge categories featuring their own work.

IMPORTANT: If a judge is placed on a panel in which they have a conflict of interest, there is a mechanism by which to self-report the conflict and have that entry removed from the ballot. The judge may still participate in that category, but all efforts are made by administration to try to prevent placing judges on panels in which they have a conflict. No judges are ever permitted to score their own work.

JUDGING DEMOGRAPHICS

In order to enhance the Children's & Family Emmys' commitment to diversity in all parts of our contest, judges are required to fill out a demographics survey at sign up. They will be requested to answer questions regarding their gender, race, and location. Response is voluntary. Declining to participate in no way affects your participation as a judge or panel placement in future competitions. Your responses will only be used for the Children's & Family Emmys to continue developing equitable and diverse judging pools.

STOP AND READ THIS PAGE BEFORE CONTINUING TO THE BY-CATEGORY INDEX!

It is the job of the Submitter/Show Shepherd to guarantee that entries are done in the correct format!

Administration has traditionally tried to reach out regarding mistakes in entries with a chance to correct prior to the beginning of Judging. This is an accommodation that is NOT in our contest rules but has been part of the process in a spirit of kindness. Administration can never guarantee this window will be available based on our deadlines. READ THE RULES OF YOUR SPECIFIC CATEGORY BEFORE ENTERING. COME TO A WEBINAR. CHECK YOUR WORK. EMAIL THE ADMINISTRATION TEAM.

Use this checklist to ensure that you - the Submitter - understand you are responsible for all of the following:

- Materials have NOT been submitted to another Emmys, including Primetime, Daytime, Sports, News & Doc, Regional, or International
- For Third-Party Submitters - providing a Secondary Contact who is with the network, platform, program or production company. You are not allowed to list yourself or another person from the awards consultancy as a Secondary Contact.
- Liaising with the network/production company on submission strategy to make sure individuals are aware when they can or cannot self-submit
- Ensuring the video length is correct (full episode versus reel)
- Ensuring correct category placement for crafts dependent on your Program category (e.g. if you are a Preschool Animated Series, you've entered the crafts that are also for Preschool Animation)
- Checking quality (audio, video, etc.) of all assets - make sure to wait until the video is completely encoded before checking it!
- Any slates do not contact entrant names except in Performer, Casting, and Individual Achievement categories as required
- Supplemental materials such as scripts are NOT placeholder files - placeholder files are immediate grounds for disqualification

This category recognizes the work of artists and designers who create title sequences, integrating video footage, electronic graphics, animation and songs. The opening sequence must be featured in at least 50% of the episodes. This category is tracked by Live Action versus Animation, but this tracking is meant to delineate the style of the Show Open itself and may not be indicative of the style of the full program. Show Open is meant to be a colloquial term, and the credits sequence submitted does not need to be specifically in the opening of the show (e.g. may be ending credits sequence).

Songs eligible here are NOT also eligible in the Original Song categories.

REQUIRED VIDEO SUBMISSION:

- Upload only the Show Opening sequence, NOT a full episode or Special. The Show Open MUST be new and originally created for the Series or for the season(s) premiering in the eligibility period. A sequence from a previous eligibility year, or one not previously submitted, is not eligible.
- Do **NOT** include embedded time-code or watermarks.

CATEGORY 46 - OUTSTANDING PUBLIC SERVICE INITIATIVE

This category recognizes campaigns done for Children's & Family eligible programming that focuses on two specific aspects:

1. Excellence in community public service efforts to raise awareness and/or marshal support for one or more worthy community causes, which may include (but is not limited to) a focus on diversity, equity, inclusion, accessibility, marginalized communities, social injustice, or civic engagement
2. Features an off-air component

Entry should emphasize the depth, breadth, duration and efficiency of the campaign, as well as highlight the off-air ancillary aspects. Submissions in this category must not be episode-specific and instead must focus on specific outreach, community engagement, and efforts to promote the concepts within the children's television industry and greater worldview.

Programs are able to enter this category multiple times provided each entry is a different initiative.

It is not considered sufficient to only place a video on a streaming or social media platform and then enter this category. The off-screen component must include a campaign outside of posting.

ABOUT NATAS

The National Academy of Television Arts & Sciences, Inc., (NATAS) is a 501(c)(6) non-profit service organization founded by the “Committee of One Hundred,” led by Ed Sullivan, in 1955. NATAS is dedicated to the advancement of the arts and sciences of television and the promotion of creative leadership for artistic, educational and technical achievements within the television industry. NATAS recognizes excellence in television with the coveted Emmy® Award.

NATAS membership consists of more than 18,000 broadcast and media professionals represented in 19 Regional Chapters across the United States.

In January 2025, NATAS will officially launch National Membership across each of the programming genres awarded in its Emmy Award competitions. Interested television professionals may register to become charter members at members.theemmys.tv or may email_membership@theemmys.tv for more information.

NATIONAL AWARDS COMMITTEE

The National Awards Committee is the governing body of all NATAS Emmy Awards (the Children’s & Family Emmy Awards, the Daytime Emmy Awards, the News & Documentary Emmy Awards, the Sports Emmy Awards, the Technology & Engineering Emmy Awards, and the individual Regional Emmy awards). The National Awards Committee is responsible for the formulation of NATAS policy on all awards matters.

In order to achieve the greatest objectivity, inclusion, and equity in administering awards policies, the National Awards Committee and competition subcommittees reflect the wide range of programming, professions, and diverse backgrounds that make up the television industry. All National Awards Committee decisions are final and binding.

FORMAT OF THESE RULES

This book of Rules & Procedures outlines policies that apply across the breadth of each of the four NATAS Emmy competitions for national programming content.

Along with the release of this document, NATAS publishes a “Call for Entries” (CFE) for each individual contest. Each CFE outlines additional rules, exceptions, and clarifications specific to the respective individual contest. This document and a respective competition’s CFE collectively form the “Rule Book” of any one individual competition for the entry year.

POTENTIAL FOR CORRECTIONS

These rules and procedures are subject to change or correction by NATAS at any time, with or without prior written notice. The most current version of the document is available at <https://theemmys.tv/rules>.

NATAS has adopted a semantic versioning method of identifying revisions, with such version numbers marked in the lower-right corner of each document page, represented in the format [CONTEST YEAR].[NOTABLE REVISION].[MINOR CORRECTION].

For example, the initial publication for the 2025 awards year is numbered v.2025.0.0. Corrections to typographical errors, formatting, or other changes of minor impact will increment this to v.2025.0.1. More notable clarifications, additions, deletions, or other substantial changes will instead increment to v.2025.1.0 and be identified in an appendix listing all such modifications.

WHO MAY ENTER?

Anyone may enter. NATAS/Television Academy membership is not a condition for entry in any NATAS Emmy® competition. Producers, designated awards consultants, show contacts, or individual entrant team members may submit entries on behalf of their program, on-air talent, or craft.

If a show intends to enter multiple categories, NATAS recommends that the show designates a main contact or “Show Shepherd” to handle submissions and general communication with the contest administration during the contest period.

Anyone entering on behalf of an individual or entity must fully confirm that the parties represented in or by the submission have complete knowledge of all eligibility rules and have viewed and given consent to the content submitted on their behalf, and are required to provide contact information for the represented rightsholder. Awards consultants and other “Third-Party Submitters” are further subject to additional disclosure requirements detailed on page 14. Any misrepresentation of consent or failure to provide accurate rightsholder information is grounds for disqualification.

ELIGIBILITY PERIOD

Programs distributed within the calendar year of January 1 to December 31, 2024 are eligible for submission in the 2025 competitions, with the following exceptions:

SPORTS EMMY® AWARDS: FOOTBALL PROGRAMMING

High school, college, or professional American football postseason programming that originally aired in 2025 but concluded within three days following the Super Bowl is eligible for entry in all categories other than Short Documentary, Long Documentary, and Serialized Documentary. **To be eligible, such football programming must have aired after 12:00 AM on February 15, 2024 and prior to 11:59 PM on February 12, 2025.**

CHILDREN’S & FAMILY EMMYS®

The eligibility period will mirror the Primetime Emmy Awards (June 1, 2024 - May 31, 2025).

CONTENT ELIGIBILITY

NATAS contests are open to telecast programming and online/digital programming originally produced for video platforms and transmitted to the public by a television network, cable company, satellite, the internet, or other digital delivery media. Eligibility is limited to digital and telecast programming that was originally made available during the eligibility period and, as determined by contest administration, intended for a national audience during the specific competition's eligibility year.

All shows must contain at least two-thirds ($\frac{2}{3}$) original material as aired during the eligibility period, unless the previously-produced material has been given substantial, unique, and creative treatment that, in the opinion of NATAS, results in an original program. Content must be entered in the format of its first method of transmission. Further, individual craft categories may apply additional content originality requirements as may be specified in the respective competition Call for Entries.

NATAS categories are not distribution-platform-specific. All categories are open to all platforms.

DIGITAL DELIVERY PLATFORMS

All types of releases via digital delivery platforms – Transactional VOD (TVOD), Subscription VOD (SVOD), Advertising-Based VOD (AVOD), Free Ad-Supported Streaming Television (FAST), and similar technologies (collectively, “Digital” distribution throughout this document) – are eligible for submission. In general, the first distribution of the content on any platform is the governing air date and program form for determining eligibility.

However, a national television, cable, or satellite broadcast (collectively, “Broadcast” distribution throughout this document) that airs after a Digital debut may be considered to be the canonical airing if:

1. The Digital distribution was not previously submitted, **and**
2. The Broadcast premiere occurred within one year of its Digital debut.

Digital platforms that are distributors of user-generated and -submitted content, such as YouTube and Vimeo, are only credited as the Network/Platform of a submission when they are also producers of the content. In all other cases, the credited Network/Platform shall be the channel or user name of the original content producer.

NATIONAL RELEVANCE

Digital or Broadcast content that is produced and intended for a specific local or regional audience, or for a particular geographic market, is eligible for a Regional Emmy Award and should be submitted to one of the Regional Emmy competitions.

NATIONAL RELEVANCE (CONTINUATION)

In determining whether content distributed without geographic restriction is more appropriate for submission to a Regional competition or a National one, entrants should consider the following characteristics of nationally-relevant content as guidelines:

- Is the content produced and intended for a national or global audience?
- Has the material been entered in other nationally-oriented award competitions administered by other organizations?
- Has the program been promoted to/marketed to a national audience or produced in association with a national media brand, or was the content produced and intended for a regional or local audience?

In general, self-published Digital content for which a majority of these characteristics indicates it was produced and intended for a national or global audience is presumed to be more appropriate for submission to a National Emmy competition. A majority of indications that the content was produced and intended for a local or regional audience suggests the content is more appropriate for a Regional competition.

Regional content that later receives national distribution may be submitted to either a Regional Awards competition or a relevant National Awards competition, subject to the following restrictions:

- Content may only be submitted to a single competition.
 - A program submitted to a Regional competition may not then be submitted to a National competition or another Regional competition.
 - Content along with all craft-category submissions associated with that content must be submitted to the same Regional or National competition.
 - Splitting entries for the same content between Regional and National competitions is not allowed.
 - In general, the first accepted submission to any Emmy competition shall determine the Regional-vs-National standing of the content
- For national eligibility, the national broadcast or VOD premiere must have occurred:
 - (a) during the National competition's eligibility period, and
 - (b) within twelve (12) months of the first regional distribution of any kind.

Content may be submitted to a Regional or National Emmy competition, but not both. Consequently, entrants must choose their lane when deciding where to submit. Those considering National submission for content originally aired regionally are strongly encouraged to contact awards administrators during the earliest eligibility period of the two relevant competitions to evaluate eligibility and avoid the risk of later-occurring determinations which may result in missed opportunities for consideration at any level.

INTERNATIONAL PRODUCTIONS

Programs produced by entities from outside of the United States must meet one (1) of the following two (2) criteria to be eligible within a NATAS National contest:

1. The Broadcast or Digital distribution of the program must be exclusive to the United States market and not available internationally; or
2. The program must have at least one American co-producer — not merely a U.S. distribution relationship — and the Broadcast or Digital premiere of the program within the United States must come before, simultaneous with, or within one week of the program's first Broadcast or Digital distribution anywhere outside the United States.

If the production does not meet either of these criteria, it is ineligible for NATAS consideration and is more appropriate for the International Emmys.

A production may only enter a single Emmy Award competition. Productions with simultaneous global premieres may, pending other category eligibility criteria, be deemed eligible in either a NATAS-administered competition or the International Emmy Awards — but not both. Program producers are encouraged to consult with both Academies to determine the appropriate competition prior to the respective submission deadline.

If a submission that originally premiered outside the U.S. but was later distributed in the U.S. is deemed ineligible for the International Emmys competition, at the sole determination of the International Academy, and the International Academy subsequently determines the material more appropriate for a U.S. competition, the entrant may petition for consideration in the relevant NATAS competition. Petitions will be evaluated on a case-by-case basis under NATAS rules and a review of the extent to which the content was intended for the U.S. market.

CATEGORY AND/OR CONTEST SHOPPING

Once a program enters a specific genre category, it is prohibited from switching for the remainder of its run unless the program petitions contest administration to change categories, and the petition is thereafter accepted. Once a program enters a specific Emmy Award contest (inclusive of the Primetime Emmy Awards, International Emmy Awards, and Regional Emmy Awards administered by our sister academies and chapters), the program is bound to remain in that contest unless a petition is filed via email and thereafter accepted by contest administration. If a program switches contests, it may not switch back without further approval from contest administration.

In addition, programs that primarily enter a particular competition, and where the majority of the content produced by that program is more appropriate for that particular competition, may not cross-enter in another Emmy competition without approval from contest administration. For example, if a program that primarily competes in Sports has a feature report they believe is more appropriate for a News & Documentary category, they must receive pre-approval from both Sports and News administration before the final entry deadline.

THEATRICAL RELEASES

Television programs that are offered for “**general** theatrical release” prior to their Broadcast or Digital exhibition are not eligible. Productions that have had a “**limited** theatrical release” prior to Broadcast or Digital distribution are eligible to enter NATAS Emmy Award contests, provided:

1. The production’s first national Broadcast or Digital distribution occurred during the eligibility period.
2. The Broadcast or Digital premieres occurred within twelve (12) months of the first commercial theatrical screening, defined as a commercial screening of seven (7) consecutive days at a single theater, and
3. The aggregate number of commercial theatrical screenings did not exceed six hundred (600) theaters.

A program loses Emmy® eligibility twenty-four (24) months after its first theatrical screening of any kind, in any form of completion, whether such screening occurs commercially or at a film festival

VIRTUAL FILM FESTIVAL SCREENINGS

Virtual film festival screenings do not qualify as VOD screenings when determining eligibility for Emmy competitions. Such screenings are considered to be theatrical screenings, rather than Digital distributions, for the purpose of determining Emmy eligibility in the 2025 competition year.

1. A virtual film festival screening is not considered a Digital release, and a documentary film may not submit to an Emmy® competition solely on the basis of such a virtual film festival screening.
2. A virtual film festival screening is not considered a Digital release, and is not used to determine whether a national telecast is within the one-year Digital-to-broadcast window within which it can be considered the “canonical airing.”
3. A virtual film festival screening is considered a film festival screening, and counts toward the twenty-four-month (24-month) window after which a program with any kind of theatrical release becomes ineligible.

INELIGIBILITY OF OSCAR® NOMINEES

The Emmy Awards recognize excellence in programming created first and foremost for television platforms. These rules reiterate this expectation through policies surrounding limited theatrical releases and a submission's eligible broadcast or Digital premiere.

To this end, programs that have received an Oscar® nomination from the Academy of Motion Picture Arts & Sciences (AMPAS) are ineligible for submission to any Emmy award contest administered by NATAS.

Appearance on the AMPAS viewing platform is not cause for disqualification from NATAS competitions.

NON-ENGLISH LANGUAGE ENTRIES

Entries in a language other than English are eligible but must include either an English-language voiceover or English subtitles. This also includes submissions in all craft categories. Entries for the Spanish-language categories may be submitted without subtitles or voiceover and will be judged by a panel of Spanish-language media professionals who are bilingual or Spanish language-proficient.

INELIGIBLE PROGRAMMING

The following programming is not eligible:

1. Pornographic, violent, defamatory, or offensive material, except in the context of news coverage or the documentary treatment of a nonfiction subject.
2. Previously-aired programs, series, or related crafts which aired and met eligibility requirements during a previous award eligibility year or qualified for and submitted to another Emmy Award competition, unless otherwise permitted via the exceptions listed herein (see Digital Delivery Platforms, Category and/or Contest-Shopping, National Relevance, International Productions, and Theatrical Releases sections).
3. Program-length commercials (infomercials or closed-circuit programs such as those from hotels, hospitals, movie theaters, arenas, stadiums, and other venue-specific locations) with targeted audiences.
4. Content from telethons, pledge breaks, and/or programs with a unique call to action aired for the specific purposes of raising money for political parties, charities, or other related causes. (Calls to action responding to current events within an otherwise regularly-scheduled program are permitted, however.)
5. Compilation reels, “clip shows,” or “best of...” programs that were edited from original content, except where allowed in an individual competition’s Call for Entries.
6. No content produced or created for a Regional or National Emmy Awards show may be submitted to an Emmy Awards contest. Related craft material is also ineligible.

ARTIFICIAL INTELLIGENCE (AI)

Uses of generative artificial intelligence (AI) in submitted content must be disclosed when relevant to the category for which the content is submitted. The failure to properly disclose such uses may be grounds for disqualification, with or without notice by NATAS.

The eligibility of disclosed AI-generated material is determined on a competition-by-competition and category-by-category basis – as may or may not be published in advance in the relevant competition CFE – and in consideration of the overall amount or impact of the AI-generated material used.

For example, and not by limitation, fully AI-generated performances are not eligible in any performance or personality category, in any competition, nor are fully AI-generated scripts eligible in any writing category. However, the use of AI to enhance a performance or script may potentially be permitted if properly disclosed, and the use of such disclosed content is not necessarily disqualifying when contained in a submission to a category for which the AI elements are not directly relevant to the craft being evaluated. Further, the technical achievement of the underlying AI used may itself be eligible in some categories.

In considering the eligibility of any disclosed content employing AI, NATAS administration and/or the National Awards Committee may request additional materials including, but not limited to, the original unenhanced works and prompts used.

The pace of innovation in the AI space is evolving rapidly, and NATAS expects this policy to evolve as well – likely with greater frequency than the annual publication of this rulebook. Entrants reliant upon AI for substantive elements of their submissions are encouraged to review the respective competition CFEs carefully, to monitor the NATAS website and other announcements, and to discuss their particular use cases with NATAS administration.

ENTRY SYSTEM

All media associated with an entry must be submitted via Orthicon, the competition submission platform. All NATAS contests require videos to be uploaded in order to be vetted by contest administration for eligibility and then viewed by judges. Media submitted via email or other means will not be accepted.

Access the submission site by going to the following page and selecting Log In for the appropriate competition: <https://enter.theemmys.tv/>.

CATEGORY VIABILITY

In the event that contest administration and the National Awards Committee deem a category nonviable due to the number of entries, NATAS may eliminate the category, merge the category with another similar category or split a category into two. If a category is canceled, affected entrants will receive a full refund. If a category is merged with another category, or split into two categories, entrants in each affected category shall be given the option to remain in the competition in the new category framework, or to withdraw from the competition and receive a full refund of associated entry fees.

CATEGORY PLACEMENT

NATAS reserves the right to disqualify outright or move any entry to a different category or different competition if, in the judgment of NATAS administration, such action is warranted. Entries will be rejected if no applicable category is found. Entrants will be notified when a rejection or category reassignment is made.

AWARDS CONSULTANTS AND OTHER PROFESSIONAL THIRD-PARTY SUBMITTERS; RIGHTS HOLDER AND AUTHORIZED REPRESENTATIVE REQUIREMENTS

The name and contact information for the rights holder of the submitted content, or a representative authorized to give permission to use the content, must be included for all submissions.

As the phrase is used in these Official Rules, awards consultants and other such “Third-Party Submitters” are entry-submitting individuals or entities who are not themselves engaged in the production or distribution of visual or audio-visual competition content, but rather, whose principal business purpose is instead the management, administration, facilitation, manipulation, or other processing of entry-submissions, typically for compensation, rendered on behalf of more than one (1) client network, producer, or other entrant.

As “Third-Party Submitters” are defined as having more than one client for whom they submit entries to this or other entertainment-industry competitions, individual seasonal employees and contractors working for a single submitting entrant in a single competition are therefore excluded from the definition of “Third-Party Submitter”. If there is any disagreement as to whether a particular person or entity is a “Third-Party Submitter” for NATAS purposes or purposes of any competition, the decision rendered by NATAS thereupon shall be final, determinative, and binding.

Third-Party Submitters essentially seek to act as “resellers” of access to the NATAS competition entry-system. Therefore, Third-Party Submitters are subject to additional requirements and restrictions determined by NATAS to be necessary in the best interests of the orderly administration of the competition. Additionally, NATAS reserves the right to supplement, alter, or otherwise amend these additional provisions at any time upon further posting to the NATAS website or other form of notification:

Secondary Contact / Entrant Representative Required: Regardless of the use of a Third-Party Submitter, the network, producer, or other entrant entering the competition must be clearly and accurately identified as the entrant and the rights-holder, and any failure to do so will automatically and summarily disqualify the corresponding entry. Third-Party Submitters must provide to NATAS, with any entry, via completion of the “Secondary Contact” field accompanying the submission of the entry-materials, the accurate full legal name and direct contact-information for the one (1) individual serving as the authorized representative (“Entrant Representative”) so designated by the entrant and rights-holder for purposes of the entry. **The Entrant Representative must not be the Third-Party Submitter, or any of its employees, contractors, or agents.** The Entrant Representative must then timely execute a modified Entry License supplied by NATAS which specifically authorizes the Third-Party Submitter to act on behalf of the entrant, and any Entrant Representative failure to timely do so will automatically and summarily disqualify the corresponding entry or entries. Please contact competition administration to receive the modified Entry License. In addition, or as an alternative, NATAS may at its sole option enter into agreements with rights holders that delegate or assign certain authorities and functions to designated Third-Party Submitters with respect to certain content and thereby modify the procedures described hereinabove.

PROFESSIONAL THIRD-PARTY SUBMITTERS (CONTINUATION)

Suspension or Disqualification: Third-Party Submitters are expected to carry out their work on behalf of their clients in a professional manner. NATAS bears no responsibility to any entrant or any other party, for the failures of any Third-Party Submitter acting or purporting to act on an entrant's behalf. If a Third-Party Submitter commits a significant number of errors in the context of a single competition, or commits a significant number of errors in the context of multiple competitions over time, in each case as determined by NATAS contest administration, the accumulation of those errors may result in a temporary or even permanent suspension of that Third-Party Submitter's access to the competition entry-system - pending an internal, non-public, and non-appealable NATAS administrative review, conducted and exercised in the sole and subjective discretion of NATAS. If a Third-Party Submitter's acts or omissions result in the disqualification of any entry, or if a Third-Party Submitter is suspended from entry-system access altogether, the entrant or entrants so affected may thereupon contact NATAS to seek an opportunity to resubmit the entry-material so affected, provided that all competition deadlines are nevertheless timely met regardless. NATAS bears no responsibility to any entrant or any other party, if any failure of a Third-Party Submitter leads to any failure of any entry to meet a competition deadline or otherwise be accepted for competition purposes.

Fees and Penalties: NATAS reserves the right, upon five (5) calendar days written notice to any Third-Party Submitter, and, if NATAS so elects, upon five (5) calendar days written notice to any entrant bearing any connection to the Third-Party Submitter, to assess further administrative fees as well as penalties as against the Third-Party Submitter and, in the sole discretion of NATAS, as against the entrant or entrants for whom the Third-Party Submitter purports to act, for corrections of Third-Party Submitter entries or other activities which have been mishandled by the Third-Party Submitter. Failure to timely pay those administrative fees and penalties may result, in the sole election of NATAS, in disqualification of the entry or entries to which those subject assessments may relate.

Self-Submitters: Individuals submitting on their own behalf ("Self-Submitters") are not considered to be Third Party Submitters for most purposes of this section. However, at the point of submission, **all Self-Submitters must ensure that all copyrighted content entered is free and clear for viewing on the judging platform and for use at the ceremony** should the entry advance as a nominee or winner. If the Self-Submitter is not individually authorized to make such representations on behalf of the rights holder, then the Self-Submitter must provide a so-empowered Secondary Contact.

“WYSIWYT” – WHAT YOU SEE IS WHAT YOU TYPED!

Entry information appears exactly as entered by the entrant who has typed it. The text is “picked-up” automatically by computer software protocols, and is not edited by NATAS before entry. Therefore, the entrant is solely and exclusively responsible for whatever text and other characters are typed and entered. There are no exceptions.

For example - odd capitalizations, misspellings, missing credits, typing all text in lowercase, or other formatting or spelling quirks will appear exactly as submitted in all official nomination and recipient documentation, all press releases, all invitations, all print programs, all ceremony graphics including those that may be telecast on-air, all statuette engravings, and everywhere else.

Specifically, any entries typed in all-CAPS are not accepted - and in such cases, if still within deadline, the entrant will be asked to resubmit subject to all continuing entry deadlines.

NATAS contest administration is NOT liable for errors in listings that are the result of incorrect information submitted on an entry form or otherwise.

Be advised that there is only a very limited time-window of opportunity to make corrections following the nomination announcements, if such corrections are available at all in such cases. Once entries are submitted, and “closed for editing” as determined by NATAS, any further requested corrections should be e-mailed to NATAS contest administration.

It is understood that NATAS offers no assurances that any such corrections can or will be made in time relative to competition awards and announcements. Any requests for corrections conveyed by any method other than e-mail to the above-designated NATAS e-mail address, including without limitation via social media, will not be accepted under any circumstances.

DEADLINES

Deadlines are firm and essential to the timely adjudication of NATAS competitions. In the case of an extenuating circumstance necessitating late entry, the entrant must make their request in writing to contest administration prior to the deadline.

CEREMONY CLIP CLEARANCE

Each entrant will be required to identify a thirty-second (0:30) portion of the submitted visual or audio-visual material for potential inclusion in the Emmy® Award ceremony and related Internet distribution, should the entry result in a nomination. The identified clip must be free and clear of any and all encumbrances or other restrictions which could limit the ability of NATAS to include the clip in the program and its distribution, publicity, and promotion, including without limitation its use in NATAS digital program archives and related digital transmissions in perpetuity.

CEREMONY CLIP CLEARANCE (CONTINUATION)

Each entrant must unqualifiedly affirm via the Entrant Clip License that all rights and clearances have been obtained and are thereby licensed to NATAS for these purposes, **and that the entrant is in fact authorized to convey such rights**. Organizations frequently submitting competition content may alternatively request to enter into a “master agreement” with NATAS that, when executed, may obviate the need for administering certain further individual entry licenses. Interested organizations should contact NATAS contest administration for referral to the NATAS General Counsel for this purpose.

Any entrant failure to timely convey necessary rights and clearances prior to the date and time of the commencement of judging, may result in the disqualification of the corresponding entry, with or without additional written notice by NATAS.

ELIGIBILITY AFFIRMATION

Entrants will be required to confirm that submissions have not been entered in any other Emmy Awards contests, whether entries are produced in whole or part by a non-US based production company, whether entries have had a theatrical release, and that all parties included in an entry submitted on their behalf have full knowledge of the entry, submission rules, and complete detail contained in the submission.

ENTRANT TEAM MEMBERS (CREDITS)

DO NOT list the entire production cast and crew. List only those who are considered statue-eligible according to the eligible title-listing.

Entrants of Record are also responsible for ensuring each entrant is aware of and approves their respective entry submissions.

ELIGIBILITY OF CREDITED TITLES

Individuals who pass away during the production process ARE statue eligible, as long as they are included on the submitted credit list. Deceased legacy individuals for source materials are not eligible.

Example: William Shakespeare is not eligible for programming credit based on his text.

POST-NOMINATION PROCEDURES

If an entry is nominated, contest administration will reach out to the Submitter to coordinate assets necessary for production and ticketing. It is the Submitter's responsibility to communicate with their clients even after the entry process is complete. All follow-up, including any information on ceremonies, is done through the Submitter.

ACCEPTORS

Nominees will submit, via the Submitter, the name of one (1) statue-eligible person per category who will serve as the acceptor.

LATE CREDIT ADDITIONS AND CORRECTIONS

After the nomination list with credited names is distributed publicly, changes may be submitted free of charge for 5 business days. After this deadline, a fee of US\$250 will be charged for each name added to the credits and/or any amendment to an existing credit.

The period reserved for gratis credit corrections is not intended for wholesale revision of previously submitted credits. As complete a list of statue eligible credits as possible must be submitted by the competition deadline.

All changes and corrections are subject to NATAS review and approval in accordance with eligibility requirements.

Changes will only be reflected in certificates, statuettes, and other materials produced or published after full payment of relevant fees has been made. NATAS has no obligation to change or correct materials published prior to fee payment.

No changes will be accepted under any circumstances after the corresponding ceremony.

PAYMENT

Electronic payment is strongly preferred.

For orders exceeding \$5,000 where electronic payment cannot be made, select “Request Invoice” during the submission payment process in Orthicon to generate an invoice to be paid by check. Requesting an invoice does not override final due dates. Payment is due and checks must be received according to invoice terms.

Payments not received by NATAS by the end of the judging period will result in disqualification, with or without additional written notice by NATAS.

DISCOUNTS, IF ANY

At the time of this publication, there is no entry-fee discount accorded to members of NATAS or to members of the Television Academy. However, this policy remains subject to change following the NATAS National Membership program launch in 2025. Submitters should always refer to the CFE for any specific individual competition to identify the then-current and applicable entry fees and discounts, if any.

REFUNDS

Since entry fees offset administrative costs, no refunds are required to be granted, except in the case of elimination of a category.

ENTRANT RESPONSIBILITY

In order to avoid disqualification, it is the entrant's responsibility to ensure that all rules are fully understood and followed, and that submissions are completed by each deadline date.

The entrant is also responsible for checking the source file audio/video quality before uploading and again once the submission is officially uploaded.

Refunds will not be issued for submissions resulting in disqualification.

If an entry is being submitted on behalf of another individual or entity, that party must have full knowledge of the entry, submission rules, and complete detail contained in the submissions.

Entrants are required to provide contact information for the submission's relevant rightsholder. Any misrepresentation of consent or failure to provide accurate rightsholder information is grounds for disqualification.

Any measures taken to circumvent the rules outlined herein, such as submitting placeholder documents or videos for required materials with the intention of replacing them with complete materials at a later date, or submitting false information to bolster competition or statuette credit eligibility, will result in disqualification of the entry with or without notice.

The Submitter becomes the point of contact for correspondence regarding required further materials, credit matters, ticketing, and statuette orders in the event of a nomination and/or win. If you are a Show Shepherd, you are the point of contact for correspondence regarding further materials, ticketing, and statuette orders. It is the responsibility of the Submitter to forward all follow-up information to clients.

CREDIT FALSIFICATION

Intentional falsification of credits will result in disqualification of the entire entry by contest administration. On-air credit packages created for the sole purpose of statue-eligibility will not be accepted.

NO INTERNAL EDITING

A submitted excerpt must be a continuous, commercial-free segment. Editing out commercials between otherwise continuous programming segments does not constitute "internal editing."

ERRORS AND OMISSIONS

NATAS only accepts timely competition submissions which are not in conflict with any of its rules and regulations. Ineligible entries may be disqualified by NATAS at any stage of a competition, with or without prior written notice to the submitters. NATAS assumes no responsibility for the acts or omissions of individuals or entities submitting entries.

REVIEW, ADJUSTMENT, AND RETRACTIONS

NATAS reserves the right to continue enforcing competition rules, its Code of Conduct, and all other policies and procedures following the conclusion and presentation of all awards and recognitions under its purview. NATAS, via the National Awards Committee, may therefore, at its sole option, review any submission for potential violations at any time, and thereupon rescind or adjust any accolades accorded to it.

If, after having been nominated and/or recognized with an award, a piece of content is subsequently retracted or otherwise withdrawn from Broadcast or Digital distribution (in whole or in part) as the result of the producer or distributor's further review under its own standards and policies, controlling law, or the NATAS Code of Conduct or relevant competition rules, or as the result of a court order, then the submitting organization is obligated to inform NATAS of such action. NATAS may thereupon, at its sole option, review, rescind or adjust any accolades accorded.

CREDITS

NATAS assumes no responsibility to arbitrate, mediate, adjudicate, resolve, or otherwise respond to any disputes or potential disputes between program producers, or between other persons or entities bearing or claiming to bear a connection to entered material. The Submitter is recognized as the principal representative of specific submission. All individuals and entities electing to submit material, are solely responsible for their entries. Specifically, all individuals and entities electing to submit material, are well-advised to very carefully review submissions to assure themselves of the correctness and completeness of all names and credits, as well as the viability and full and proper documentation of all intellectual property rights and permissions. Failure to do so may render an entry ineligible.

Only those individuals listed on the final credit list will be eligible to obtain a statuette or other NATAS recognition upon determination of a winning entry, and not otherwise. NATAS will only accord a statuette or other NATAS recognition in the manner as may be identified in advance via the corresponding competition procedures. Specifically, any entrant's credited job title must exactly correspond to the as-written and as-aired/as-transmitted/as-telecast credits included in the entry material, per the following:

CREDITS (CONTINUATION):

1. Existing Credit Package. If an on-air/as-transmitted/as-telecast credit-block or “credit package” exists, then, as confirmed by NATAS, that on-air credit-block or “credit package” is and shall remain the document of record regarding the determination of any credited job title.
2. Non-Existent Credit Package; Production Memo. If, in the determination of NATAS, no on-air/as-transmitted/as-telecast credit-block, “credit package”, or other reliable credit list is made available with the entry or NATAS determines the supplied credit list is insufficient, then the entrant must submit the dispositive production memo for the submission as verification of credit and job title eligibility. If NATAS rejects a production memo as non-dispositive or no such memo exists, it is the entrant’s sole responsibility to supply alternative acceptable proof of credits and job titles.
3. Discrepancies. In those rare cases where there is a discrepancy between the as-aired/as-transmitted/as-telecast credits and the credited job title indicated on or within the entry materials, then it is the entrant’s sole responsibility to contact NATAS contest administration requesting an adjudication and determination. NATAS has sole discretion whether to render any determination. NATAS accords no assurance to any entrant that any credit or job title discrepancy will be timely adjudicated or adjudicated at all. The entrant, and not NATAS, bears the sole responsibility of any unreconciled credits and job titles, and any loss of any competition opportunity resulting therefrom.

MISREPRESENTATIONS

Any misrepresentation of entries will be cause for disqualification. Misrepresentations may include, but are not limited to misrepresenting programming as original work or the intentional falsification of credits, including intentional falsification of job titles or intentionally listing improper job titles. Should evidence of misrepresentation materialize at a later date, the entry may be disqualified retroactively. Such a retroactively-disqualified entry will be so-listed in NATAS records, and the return of any awarded statuettes or award certificates will be required.

Violations of any other published rules and procedures herein may result in disqualification. Payment submitted with disqualified entries will not be returned.

INDIVIDUAL ELIGIBILITY FOR A SINGLE AWARD

An individual may only be recognized with an Emmy® Award for each specific role in a production once.

An individual that is eligible for an Emmy Award for a specific role in more than one category shall be recognized in the category most specific to their craft or role.

For example, within the News & Documentary Emmy competition, a director who is credited as such on an Outstanding Breaking News entry may also submit the same content to the Outstanding Direction: News craft category. If both submissions are recognized as Emmy winning entries, the director will be awarded a statuette in the Direction category only.

INDIVIDUAL ELIGIBILITY FOR PROGRAM AWARDS

For program categories that allow submissions of excerpts from different episodes to be entered, such as The Sports Emmy categories of Outstanding Studio Show Daily, Outstanding Documentary Series or Outstanding Hosted Edited Series, an individual, in order to be statue-eligible, must have worked and received credit on a minimum number of the total episodes of the show broadcast in the eligibility year. The minimum episode count required varies by competition and category and is specified in each competition's Call for Entries.

EMERGENCY DISCLAIMER

NATAS reserves the right to modify competition or event rules, procedures, policies, and calendars in response to any public emergency, natural disaster, civil unrest, act of war, or labor dispute or strike, or for any other reason. Please read individual competition Calls for Entries and category descriptions for any temporary rule changes. Additional updates may be published during the contest year on the NATAS website and social media channels, or announced by email to registered entrants and "Show Shepherds."

CODE OF CONDUCT

All participants in NATAS competitions or events are subject to the NATAS Code of Conduct as posted online [here](#).

WHAT IS PEER JUDGING?

NATAS contests are judged category-by-category by a panel of experts in that particular field– for example, editors judge editing. Specific qualifications for judges per each individual contest are outlined in each contest’s rules. The success of the Emmy® Awards process depends on the willingness of qualified professionals to serve as judges.

JUDGES ARE VOLUNTEERS

Judges for all NATAS Emmy Award contests are volunteers. Judges do not receive any compensation for participation.

JUDGING RESPONSIBILITIES

With a few exceptions, noted in each individual contest’s Call for Entries, judging is done entirely online. Judges must sign up to judge. Contest administration will verify credentials and eligibility of potential judges and assign approved judges to category panels based on their backgrounds and expertise. Judging requires watching videos, reviewing associated materials and scoring all entries in the assigned category.

NATAS contests do NOT use a “check one” or ranked system of judging. The window for judging is several weeks. Judges evaluate each entry on its individual merits and judges are permitted to give the same score to multiple entries. Each category has a minimum percentage judges are required to view for each entry video prior to being permitted to submit a score. After an entry in the category is viewed by at least the minimum amount, the judge’s ballot will open up and become available for scoring. Each entry is judged individually on its own merits based on each judge’s individual perception of excellence.

All judging criteria and procedures, including scoring scale, minimum scores required for nomination, and tie-breaking procedures, are determined by the National Awards Committee.

In order to maintain fair, consistent peer judging without influence, judges must not disclose how they voted. If a judge ignores or abuses this policy, their ballot will be disqualified and/or their judging status revoked.

JUDGING RESPONSIBILITIES

Judges are invited to respond to an optional series of demographic survey questions. If a judge declines to participate, that fact is kept confidential and has no impact on the judge's potential role as an Emmy judge or otherwise, in any manner whatsoever. Demographic information is not associated with ballot results in any way. Accordingly, survey data is representative of the full population of registered judges, and not of the subset of judges from whom completed ballots are received. All information is gathered consistent with [NATAS's Key Principles For Collecting Personal Data](#).

If a judge chooses to participate, that judge may further choose to make their responses available to NATAS to facilitate equitable representation on specific judging panels, or the judge may elect for their responses to be kept anonymous and used only for aggregate analysis.

NATAS encourages all networks, platforms, production companies and other content creators, whose employees make up the majority of the judging pool, to focus on increased diversity in their companies and on their sets and to encourage participation in the Emmy judging process. To this end, NATAS will share anonymized survey data with organizations represented by significant numbers of judges so that such companies may better understand the current diversity of their submitted judges and work with NATAS toward increased representation in future cycles.

More broadly, NATAS proactively pursues dialogue and solutions with individual company Diversity Officers and Employee Resource Groups (ERGs), industry executives, and allied trade associations and community organizations to further promote diversity within the television industry as a whole.

JUDGING METHODOLOGY

1. SCORING SCALE

Submissions in NATAS contests are scored on a scale of 1 to 7, with 7 being the highest possible score and 1 being the lowest possible score.

2. NOMINEE COUNT

In each category, there is a default target of one (1) winner and five (5) nominees. In any category where the tabulated scores result in such a clearly-defined winner and collection of nominees, one (1) winner and five (5) nominees will be so-certified. The target nominee count for a category may be reduced or increased, at the direction of the National Awards Committee, in proportion to the number of entries in the category as it relates to the competition average.

3. TRACKING

When two or more adjacent crafts, program genres, or production techniques within a craft or genre lack sufficient submissions to be competitive categories on their own, NATAS may opt to combine into a single category. That category may be tracked or not tracked. If tracked, the different subsets within the category will be designated as such and nominated according to their proportion of entries within the category. The minority track is rounded up to the nearest 20%, still subject to minimum viability rules.

4. MINIMUM VIABILITY FOR NOMINATION

In general, submissions must have an average judge-assigned score of 4.0 ("Good – Worthy of a Nomination") or greater to qualify for nomination. No submission shall be eligible for nomination if the average judges' score is less than 3.0 ("Average – Potentially Worthy of a Nomination"). Submissions with average scores between 3.0 and 4.0 may be nominated at the discretion of the National Awards Committee.

5. TIEBREAKING

Ties for the win will be broken, if possible, by comparing the high scores for each tied entry (the number of 7's and 6's received by each tied entry). In cases where ties cannot be broken by this method, there may be multiple winning entries in a given category.

Ties for nomination, not affecting the win, will not be broken and all tied entries will instead be nominated if the resulting number of nominations will remain within the maximum number of allowable nominations. The maximum number of nominations is seven (7) by default, but may be reduced or increased, at the direction of the National Awards Committee, in proportion to the number of entries in the category as it relates to the competition average.

Ties for nomination that would result in a number of nominees in excess of the maximum nomination number will be broken using the methodology applied to ties for the win.

6. NATURAL CUTOFFS

When a statistically significant distinction appears in the distribution of tabulated scores such that, in the consideration of the National Awards Committee, that distinction presents a more appropriate method for nominee selection, the Committee may, at its option, employ that method.

7. JUDGING IMPROPRIETY

Judging scores and behavioral patterns are monitored via algorithms for potential outliers that may indicate improper behavior such as coordination, bias, or manipulation. Ballots identified by the algorithms are investigated by the competition auditor, who then determines whether to refer the matter to the National Awards Committee for further discussion and/or adjudication. All matters determined to be instances of judging impropriety requiring Committee action are subsequently disclosed in the Transparency report.

8. ANONYMITY

All determinations by the National Awards Committee regarding target and maximum nominee counts, nomination viability, natural cutoffs, and judging impropriety are conducted entirely on the basis of anonymized scores provided by the auditor. At no time are Committee members provided names of submissions, judges, or any other identifying information which could impact their decision. Except where necessary, the affected category is not even disclosed. Some identifying information may be disclosed to the Committee and Administrative staff for further investigation and corrective purposes after the conclusion of the competition and associated ceremony only.

9. TRANSPARENCY REPORT

NATAS publicly releases a Transparency Report for each competition outlining statistics as well as instances in which significant judgment calls are made by contest administration and/or the National Awards Committee regarding eligibility, ballot disqualification, or other matters which may have impacted the outcome of the competition. The report is anonymized as much as possible to protect privacy while providing insight into the complex, often difficult, discussions and decisions that form the bedrock of any fair competition.

JUDGING RECRUITMENT

Competition judges must receive no remuneration, compensation, or other consideration for their efforts as judges.

Entities and/or individuals must not offer compensation of any kind to anyone for signing up to be a competition judge - be it via payment, quid pro quo voting, or by way of offering to provide access to events or other benefits.

Organizations submitting entries are encouraged to recruit people from their respective organizations to serve as judges ("internal recruiting").

However, any use of "coordinated recruitment" or "recruiting programs" of the nature below-described, shall be deemed strictly prohibited unless approved in advance by NATAS on a case-by-case basis in the manner as follows:

- (A). Any proposed hosting of an event with invitees from outside the submitting organization for the express purpose of recruiting judges; or
- (B). Any proposed distribution of any materials to more than fifty (50) persons outside the submitting organization with the express purpose of recruiting judges; must in either case first be reported to NATAS contest administration in writing and in advance of the proposed initiative. The proposed initiative must not be taken unless approved in writing and in advance by NATAS in each case, which NATAS may elect to render, or not, in its sole discretion.

Additionally, on their judging applications, all proposed judges must fully disclose as a potential conflict-of-interest any and all relationships that they may have to any "recruiting program" or "coordinated recruitment", other than the aforementioned permitted internal recruiting conducted by the corresponding entrant organization itself.

Any failure by either the entrant or the judge to fully disclose to NATAS all activities of coordinated recruitment and all recruiting programs, is grounds for disqualification of the judge's ballot, and disqualification of the competition entry or entries corresponding to the coordinated recruitment or recruiting program and the entrant, each in the sole discretion of NATAS.

“FOR YOUR CONSIDERATION”

As the nominees and recipients are decided in the same round of judging via scores, all so-called “For Your Consideration” campaigns are of limited, if any, usefulness surrounding NATAS competitions and are discouraged.

PRELIMINARY VERSUS BLUE RIBBON

The result in most categories is determined by a single “Blue Ribbon” round of judging that decides both the nominees and the recipient (or recipients) in the category. In the majority of cases, there is no additional round of judging after nominations are announced in which winners are chosen. At NATAS’ discretion, a juried round of judging to select honorees may take place after nominations are announced.

Where a category receives a large number of entries, resulting in screening sessions that would exceed what is deemed a reasonable viewing length for a single judging round, it will undergo a Preliminary Judging Round. Depending each year upon the number of entries per category, various categories in various contests will be routed through such a Preliminary Judging Round, whereby the number of entries are narrowed down prior to commencement of the “Blue Ribbon” round.

Categories with a high proportion of self-published entries, such as those distributed on user-generated video-sharing platforms, may also be routed to a Preliminary Judging Round at the discretion of contest administrators.

The results of a Preliminary Judging Round are merely procedural; they are not publicly announced, and are not considered “nominations,” “prenominations,” or any other formal recognition.

RANDOMIZED SECOND ROUND PANEL COMBINATION

Typically, in categories where the number of submissions require two rounds of judging: a) a number of subpanels are created for the first round of judging, and each subpanel is judged by a single group of judges and b) a single second round panel is created from the highest scoring first round entries. The second round panel is judged by a single group of judges, and winners and nominees are determined from the results of that second round panel. In cases where the number of first round subpanels are inordinately large (for example categories with a large number of entries with lengthy running times) it may be necessary to create two second round subpanels in which entries will be distributed randomly to ensure equal consideration by two groups of second round judges, and nominees and winners will be determined from the combined results of those panels.

BALLOT CONFIDENTIALITY

All judges for NATAS contests are expressly forbidden from disclosing, to anyone, what entries they judged, their opinion of materials viewed, or the scores they assigned. This prohibition applies, without limitation, to any communications with colleagues, friends, family members, other judges, other submitters, the press, on social media, or elsewhere. Violations of this policy may result in disqualification of the ballot and/or judge, and potential disqualification of associated submissions.

CHALLENGES AND/OR INAPPROPRIATE SITUATIONS

The fair adjudication of all NATAS competitions is of foremost importance. Any individual or organization that has observed potential impropriety or inappropriate behavior by any entrant, judge, administration staff, or others in the course of the competition, or that has any concerns about a submission, judging, or other awards procedures or processes, is encouraged to report the matter immediately to NATAS by sending an email to reports@theemmys.tv.

All substantive reports will be thoroughly investigated and may be summarized in the Transparency Report. The identity of the reporting party shall be kept confidential.

RESULTS CONFIDENTIALITY

From the time of the nomination announcement until the winners are announced at the respective live ceremonies, the identities of award recipients in judged categories are known only by an independent accounting firm, unless exceptional production accommodations are made for prerecorded presentations or emergency situations. Any such exceptions must be approved in writing by the chairs of NATAS and the National Awards Committee and shall be disclosed during the ceremony itself.

In the case of juried panels, jurors are required to maintain confidentiality until the award is announced.

Lifetime Achievement Emmy Award honorees, Gold & Silver Circle inductees and scholarship recipients are known to contest administration and announced prior to the ceremony.

WHO RECEIVES A STATUETTE?

Each winning entry receives **one (1)** gratis statuette. All individuals with an Emmy® statue-eligible credit that is vetted by NATAS administration will be able to order a Recipient statuette. One name may be engraved per statuette. **The name approved in credits is the name that will be engraved on the statuette. The credited role vetted and accepted by NATAS during the entry process can not be adjusted by a nominee or winner. Nicknames are not permitted.**

The Submitter will receive an email from awards@theemmys.tv with information about logging into the online ordering system.

Statuette eligibility is limited to individuals. Networks, other corporate entities or teams (i.e. the marketing team) are not eligible for Recipient statuettes. Statuette orders take, on average, three (3) to four (4) weeks to process once the order is received.

BAND ENGRAVING

Standard format for all statuettes is as follows:

COMPETITION NAME
CATEGORY NAME
PROGRAM TITLE
SEGMENT (IF APPLICABLE)
NETWORK
FIRST NAME LAST NAME, POSITION

CEREMONY STATUETTE BAND ENGRAVING

Following each award ceremony, NATAS will reach out to the designated entry contacts and individuals who signed for presented statuettes to collect the band engraving information for the gratis ceremony statuette. The statuette presented at the ceremony may either be engraved with a Recipient's name and credited role, for no fee, or as a Commemorative engraving (for Network/Platform, Studio or Production Company lobby display) for a \$600 fee. If no instructions are provided by the end of the week following an award ceremony, then, by default, the first name that appears alphabetically in the Winner's Press Release (whether it be an Executive Producer or an Associate Producer, etc.) will be selected for the engraving. Any requested changes to that engraving will incur a replacement fee of \$25 plus sales tax and any shipping & handling charges.

Emmy® Awards are presented to individuals, not their employers, even if an employer pays entry or statuette fees. Ownership of each Emmy Award statuette is retained by the National Academy of Television Arts & Sciences, Inc.

COMMEMORATIVE EMMY® STATUETTES

Commemorative statuettes are available for a network/platform, studio, or production company that was principally involved with the winning program or achievement, as determined by NATAS. The network/platform, studio or production company name may be included on the engraving. The word “commemorative” is engraved at the rear of the statuette. Commemorative statuettes cannot be ordered for, or issued to, individuals.

Verification for Commemorative statuettes will be determined by the original submission information, which is reflected in the Winner’s Press Release. The primary or secondary contact on record for the entry may also be consulted.

Commemorative Emmy statuettes cannot be ordered for, or issued to, individuals.

If there is a single Recipient in the category, the ceremony statuette should be issued to the Recipient. The Recipient’s name and title will be engraved on any subsequent Commemorative statuettes ordered.

SURPRISE STATUETTE ORDERS

NATAS does not permit “surprise” statuette requests. NATAS must receive authorization from a recipient for a statuette order if the recipient doesn’t place the order for themselves. This rule does not apply to the Entry Contact for the submission or a fellow Recipient for the same entry.

REPLACEMENT STATUETTE ORDERS

All replacement statuette orders are subject to verification and approval by NATAS. Winner’s name and credited position must appear in the official NATAS press release to be eligible. The Recipient of an Emmy must authorize a replacement statuette order if they aren’t covering the replacement cost themselves. If the original recipient is deceased, the next of kin may order a replacement statuette. Documentation proving next of kin will be requested as needed.

Damaged statuettes **MUST** be returned to the manufacturer for proper recycling. Tracking information, confirming the return, must be sent to NATAS for verification with the manufacturer. Photos of a damaged statuette, including a close up of the band engraving, must be sent to NATAS for record-keeping and proper replication. A copy of an insurance claim or Police report, must accompany a ‘lost’ or ‘stolen’ replacement order. Replacement requests that do not fall under these circumstances will be handled on a case-by-case basis. NATAS does not permit ‘surprise’ replacement statuette order requests.

NOMINATION CERTIFICATES

Nomination certificates are available only to individuals designated as Emmy nominees. Certificates are available for ordering, along with upgraded product offerings, on the same ordering website where recipients order statuettes.

PRODUCTION CERTIFICATES OR PLAQUES

Production certificates or plaques are available for all individuals who contribute to Emmy-winning projects but who are otherwise ineligible for the Emmy statuette. NATAS will review titles and verify eligibility with the entry contact for each request received. This is not an Emmy Award. Only production personnel are eligible. Subjects, participants or panel members of documentary films or news reports are not eligible.

IMPORTANT: Production certificates or plaques are not Emmy awards and cannot be upgraded toward statuettes. Production certificates or plaques are available for up to 5 years following an award ceremony.

PROMOTION

1. Emmy honorees or those congratulating them may at any time refer in advertising and publicity to the fact that the honoree has received an Emmy award and may for one (1) year after an award is made, use a replica of the statuette in advertising and publicity subject to the requirements set forth at <https://theemmys.tv/trademarks>.
2. Emmy nominees or those congratulating them may refer in advertising and publicity to the fact that the nominee has been nominated and, provided that such nominees are clearly identified as such, may during the period from the announcement of nominations until the awards presentation use a replica of the statuette in advertising and publicity subject to the requirements set forth at <https://theemmys.tv/trademarks>.
3. Whenever the statuette is used it should appear facing left and must be accompanied by ® at its base (denoting trademark protection). The word “Emmy” is also trademarked and whenever possible its use should appear as follows: “Emmy®”.
4. After the one (1) year period, recipients may use language promoting their status as an Emmy® Award recipient in perpetuity, so long as such references do not include use of the statuette image.
